Itinerary Changes

Atlantis and Royal Caribbean have carefully planned this itinerary for maximum enjoyment in all our ports and onboard your ship. Although we do our best to adhere to published ports and times, unforeseen weather and/or sea conditions may force us to alter the itinerary during your cruise.

In the unlikely event of an itinerary change while sailing, we will communicate our new plan both through ship wide (outside of cabin) announcements and through an updated *Cruise Compass*. Neither Atlantis nor Royal Caribbean shall be held liable for any damages resulting from any itinerary change according to your Passenger Cruise Contract.

Do This Right Now

Review Your Passport or Proof of Citizenship Documents

In order to travel, a valid passport is preferred and required for all guests from outside the U.S.A. Proof of citizenship in the form of an original birth certificate and a government issued photo ID is acceptable for U.S. citizens only. Visas are not required for citizens of the US and Canada. Visa requirements for all other nationalities vary and should be checked with the embassy or consulate of each country visited on your itinerary.

Please note that it is your responsibility to have the necessary documentation before boarding the ship. Failure to provide proper and valid documentation will result in denied boarding, and no refund will be provided.

Register On-line With Royal Caribbean Line (RCI)

Please take a few minutes to register on-line for this cruise in order to obtain a full copy of your cruise documents from Royal Caribbean. Once registered, you should print the Boarding Pass and bring it with you to the pier. This will allow you to check in quickly and board in minutes. You may register anytime until January 31st.

To complete Online Check-in, you will need:

- Royal Caribbean Booking Number (same for all guests in each stateroom)
- Full legal name as Atlantis has it recorded
- Your Passport information
- Credit card to use for onboard purchases

To Begin:

- Log into [RoyalCaribbean.com](https://royalcaribbean.com)

- Go to [https://secure.royalcaribbean.com/beforeyouboard/](https://secure.royalcaribbean.com/beforeyouboard/boardingDocuments.do)

[boardingDocuments.do](https://secure.royalcaribbean.com/beforeyouboard/boardingDocuments.do)

For Online Check-In Assistance, please contact RCI at 866-562-7625.

If you are unable to complete online check-in, manual forms will be available at the pier. It just might take a bit longer to process and get you onboard.

Review your Flight Plans

This sounds obvious, but take a minute right now and make sure that your flights are booked correctly to Miami.

Make sure you have enough time to depart correctly from the ship on February 10 as well. Your flight should not depart before 11 am.

Book Shore Excursions Now

You can reserve shore excursions in advance on the RCI website (royalcaribbean.com) until January 31. Upon arrival to the ship, you will receive tickets for your pre-booked excursions in your stateroom.

You may purchase additional shore excursions onboard, subject to availability, at the Shore Excursions Desk. You may also book shore excursions through your TV set using the RCTV system in your room.

Atlantis has worked closely with RCI to enhance and develop excursions that will be fun and exciting for our group. Many of the excursions are "exclusive" to Atlantis guests, although in some cases the tours may be mixed with guests from other cruise ships. If you are in doubt, please inquire with Shore Excursions before booking.

Royal Caribbean App

The Royal Caribbean App unfortunately will not be functional during our cruise. The app is new and is not yet able to handle charter sailings. We're hoping to be able to use it on a future Royal Caribbean Cruise.

Thank you for understanding.

Before You Depart

Packing Advice

Atlantis emphasizes a casual, comfortable atmosphere with no specified dress code. Sportswear and casual resort attire are appropriate at all times. There are no formal nights, and absolutely no need for a jacket and tie.

The only real rule is that no tank tops or gym-type shorts are permitted in the specialty restaurants. This is a premium experience and we want to maintain a quality ambiance for all our guests. Thank you for your understanding and cooperation on this one.

Plan for warm, even hot weather with slightly cooler breezes at night. We recommend loose, comfortable cottons and other lightweight clothing.

Our ports are beach resorts with no specific dress requirements. We suggest casual beach wear and some really comfortable shoes. Some tours involve long bus rides and/or considerable walking so comfort is essential.

Daytime at sea is time for swim wear and flip flops. Bring lots of sunblock.

Party Themes

Atlantis theme parties are legendary and dressing up is part of the show, but is of course always optional. You'll be comfortable with or without an outfit. All outdoor dance parties will be in the AquaTheater or Solarium.

- **Out to Sea!** - Beyond the horizon and beneath the sparkling blue surface lies an undersea world of mystery and magic. From friendly mermaids to trident-wielding gods to innocent seahorses you never know what you'll find when you look below. Take a dive into the unknown and treasures will abound. Every type of sea creature, lost sailor, shipwrecked cruise ship passenger, and of course ordinary landlubbers welcome.
- **Civilizations Lost** - All great things come to an end, but tonight the most infamous lost civilizations roar back to life, at least in costume. Let the primal sophistication of the Incas, Mayas, Nazcas, and even the lost continent of Atlantis inspire you as we take tribal style back to where it all began. Contemporary anthropological researchers always invited!
- **Playground** - Everyone's a kid again when we transform Studio B into a high-energy playpen of pure silliness with an all-new party format. Fast, bouncy, zany fun reigns with eye-popping décor and a room full of upbeat progressive music and non-stop visual surprises. Dress to play hard. And bring a big smile!
- **Atlantis White Party** - Big. Simple. And endlessly fun. One simple color. So easy. Too many possibilities. And you all look fabulous in it!

- **Dog Tag T-Dance** - The troops have all come home in time for Atlantis' longest-running signature afternoon party. Show your creative strength at our first big outdoor party inspired by the joys of men in (small) uniforms. We'll provide dog tags, you do the rest.
- **Champions T-Dance** - No need to take sides since we are all the champions at our sportiest T-dance. Dress to play, cheer, or worship your favorite sport/team/player/superfan/manager/logo/etc. as we celebrate the games people love to play. Or watch. Spectators welcome, of course
- **Classic Disco T-Dance** - Disco lives on as we take you back to the glory days of the 70s for an afternoon of pure musical magic on the dance floor. Artificial fabrics, excess facial hair, oversized shoes, and other obnoxious accessories welcome!

And yes, there are other parties onboard, with no dress theme.

Currency Advice

The entire ship operates on U.S. Dollars on-board and all ports accept dollars as well. Here are the currencies for Mexico and Honduras, although you don't need to convert cash.

Mexican Peso (MXP)	\$1 USD = \$ 19.04 Pesos
Honduran Lempira (HNL)	\$1 USD =L 24.39 Lempira

We recommend using your ATM card to get the best rate of exchange for cash, just be wary of bank fees. There are plenty of ATM machines throughout our ports. You'll get the best exchange using credit cards for large purchases.

And always select the "Local Currency" option when making purchases to avoid transactions fees.

Baggage Essentials

Most airlines, especially non-US airlines, limit checked bags and carry-on luggage. Check with your carrier for specific allowances. The standard limit is 50 pounds (23 kilos) per piece. Excess or overweight bags may incur a substantial surcharge, so please plan accordingly.

There are no weight limits or bag fees for the cruise itself.

Prohibited Items

Please do not bring any of the following onboard, and do not place these items in your checked luggage: Irons (including travel irons), alcoholic beverages, knives, firearms, or any other potentially dangerous item.

If your luggage contains any of the above items, your bag will be held at security and will not be delivered to your stateroom. Full details on prohibited items can be found on the Royal Caribbean website.

Embarkation Day!

Getting to Port Miami

The easiest way to get to the port is by taxi or ride-sharing (Uber, Lyft, etc.), all of which are readily available at the Miami airport. The port is a 15-minute cab ride from the airport, and costs about \$25, depending on the service.

Covered parking is available for a rate of \$22.00 per day at the pier. Nearby services may be cheaper.

For driving directions to the Port of Miami, please see your Royal Caribbean cruise documents.

Important Check-In Time Information

Embarkation begins around 1:00 pm, and we'll start check-in around Noon. While the terminal is very large and efficient, remember that we have to process 5200 guests. Please do not arrive earlier as we need time to turn the ship around after the previous sailing.

When you register online, you'll be able to select an arrival window. Please adhere to the arrival window on your SetSail pass and we'll get you onboard in no time. Guests arriving on time will be given priority over guests who arrive earlier than scheduled.

Unless you enjoy standing in line, please keep your appointment time! You won't miss a thing and you'll be onboard with a minimum of waiting. Check-in this way moves very quickly.

Due to government regulations requiring cruise lines to submit final departure manifests at least 60 minutes prior to sailing, guests are requested to complete Online Check-in no later than 3 days prior to their cruise. If you have not completed Online Check-in, you will be required to complete this process at the pier at least 90 minutes prior to the published sailing time.

Please note that you must be at the pier and checked in no later than 5:00pm or you may be denied boarding.

Allure of the Seas sails at 6 pm sharp on February 3rd.

What Do I Need to Check-In?

Since your reservation is electronic, all you need is valid passport and a valid credit card to check-in for this cruise. You will then be issued a *SeaPass* card, which will serve as your room key and identification card for boarding and re-boarding the ship!

Alcoholic Beverage and Other Restrictions

Guests are not allowed to bring beer, hard liquor, fortified wines or non-alcoholic beverages onboard for consumption or any other use on boarding day or while in port. Alcoholic beverages seized on boarding day will not be returned.

Guests wishing to bring personal wine and champagne onboard may do so only on boarding day, limited to two (2) 750 ml bottles per stateroom. Additional bottles of wine beyond two (2) bottles that are brought onboard or any alcoholic beverages purchased in ports of call or from Shops On Board will be stored by the ship and delivered to your stateroom on the last day of the sailing.

Security may inspect containers (water bottles, soda bottles, mouthwash, luggage etc.) and will dispose of containers holding alcohol. Guests who violate any alcohol policies, may be disembarked or not allowed to board, at their own expense, in accordance with the Royal Caribbean Guest Conduct Policy.

Cases of water or other beverages may not be brought onboard. A case is considered anything in excess of four small bottles.

Lost Luggage Assistance

If your luggage does not arrive with you, please do all of the following:

1. Get a complete report from the airline, including a receipt and tracking number for your luggage. Make sure that you tell the airline that you are boarding *Allure of the Seas*.
2. Upon arrival on the ship, go immediately to guest services where they will make a copy of your lost baggage report. The ship will attempt to track your luggage and follow up directly with the airlines.
3. Be patient. Depending on the airline it might arrive prior to sailing. Our port agents, in concert with the ship, will attempt to deliver any lost luggage directly to your room. If your luggage does not arrive, they will keep you informed with the latest news from your airline.

Please understand that neither RCI nor Atlantis has lost your luggage. We can only assist you in recovering your luggage from the airline and in communicating with them. Ultimately, the airline is responsible to you for any loss or inconvenience you encounter.

However, in our experience most bags turn up in the first 48 hours.

Atlantis Cruise Essentials

Atlantis Daily Program

The Atlantis version of the *Allure* daily program, called *Cruise Compass* will be delivered to your stateroom each night with a complete schedule for the following day. All activities, shows, and function times are described here. Since this is our primary method of communicating with you, please read it daily. Changes and/or updates from our original schedule are common during a cruise.

You can also find a copy of the days' schedule on your stateroom TV and on the Wayfinder boards around the ship. Unfortunately, the new Royal App is not yet configured for charters, so we cannot use for scheduling.

If you don't feel like reading, take 5 minutes each morning to watch Malcolm's daily TV broadcast for a more entertaining look at the upcoming day's events. You can find this on your stateroom television.

Team & Information Desk

Our office and volunteer Team Atlantis staff will be on hand throughout to host and assist with every aspect of your vacation. Please don't hesitate to ask any of us if you have a question or require assistance. We are available 24 hours a day, and always wear Atlantis name badges.

We also offer a general information desk located adjacent to Guest Services on Deck 5. Hours vary and are posted in *Cruise Compass*.

Atlantis staff can also be reached through Guest Services at any time.

Friendly Social Hubs

We celebrate the diversity and diverse interests in our community with a set of casual places for you to meet guests with similar interests. Here are a few samples, and we are always adding more:

Lure of Leather – For our guests who like or love leather

Global Community - Guests from outside the USA

Bears & Cubs – A social gathering for bears, friends, and admirers

Women of Atlantis – Our female guests and their friends

Friends of Bill W – Daily meetings

Guns & Hoses - Cops and firemen

Active & Veterans - Military gathering for Atlantis service members

Up In the Air - Gay pilots and flight crew

Real Daddies - Gay parents and those to be

These gatherings are casual, non-hosted meetings throughout the week, meant to give you a social hub to meet other friends. Stop by and see who's there! But don't delay -- these are quick and easy gatherings! Dates and times are

published in the *Cruise Compass*.

Special Events for Singles

We host several special events throughout the week for our single guests, ranging from cocktail parties to special dinners. Please see *Cruise Compass* for information on specific events.

Atlantis Logo Merchandise

If you're looking for a true one-of-a-kind souvenir, visit the onboard shops for some great Atlantis logo shirts, hats, and other gear. We're also bringing on special merchandise from our friends at LASC.

Atlantis Publicity Photos & Video

We will have a photographer and video crew onboard to document our voyage and assist us in creating our future collateral materials.

Atlantis does not use "random" shots for our publicity, so if you do not wish to be seen in our photos, please feel free to tell our photographers.

Future Atlantis Cruise Sales

During the last few days of your cruise, we will offer a chance to reserve your next Atlantis vacation with a special onboard booking discount. Details will be delivered to your stateroom and booking times will be listed in *Cruise Compass*.

No Solicitation Policy

Atlantis does not allow our guests to solicit other guests for any service or business while onboard our cruises. Please respect our other guests' right to enjoy themselves in an advertising-free environment.

Any guest that violates this policy by distributing materials, voice mails, or other sales communications to our guests will be subject to a \$2500 fine applied directly to their onboard account. Thank you for your understanding.

Atlantis Room Share Program

If you are participating in our room share program, you have been assigned a roommate based on smoking preferences. Your roommate's name may appear on your confirmation, but is subject to change. This program is offered as a convenience and service for our single travelers, and as such no roommate changes are permitted for any reason whatsoever.

We will email you prior to embarkation with advice on how best to enjoy your cruise together.

Atlantis Cruise Highlights

A Festival of Entertainment

Sailing on *Allure of the Seas* with Atlantis is unlike any cruise experience in the world, with more thrilling shows and literally something for absolutely every taste. From Broadway stars to drag queens, disco to EDM, salsa bands to acrobatic troupes, piano bars to gay comics, you'll find more gay entertainment on *Allure* than any place on earth.

New for 2019!

We've added some brand new signature events as we expand our entertainment horizons. Here are the highlights:

- Live concerts under the stars
- Massive Electronic Music Concert
- New Playground party in Studio B
- New Cabaret shows in Dazzles
- Atlantis Comedy Club with 4 top gay comics

And that's just the beginning. On the following pages you'll see a preview, but there's so much more to discover once onboard!

A Few Tips

You can't do it all, and we know that. Pick the events that you love the most, and try a few new things. And leave yourself some time to relax and simply wander around this incredible ship.

Make a few reservations for our shows, but don't plan everything. You can always change your mind, and we hold plenty of space at every show for last-minute walk-ins. The booking give you a guide and guaranteed access to the shows you want to see. All our ticketed shows repeat during the week.

Our dance parties and outdoor concerts are massive and can hold absolutely everybody that wants to enjoy them!

Finding Friends

One of the most challenging things about a big ship is finding your friends, both old and new. It's easier than you think with a few simple plans. Set a few regular meeting points, maybe around the pool or promenade at the same time every day. Plan your shows together with reservations. Plan to meet before meals. And, remember with VOOOM internet you can even text each other while at sea! Essentially all you need is a regular-ish routine and finding friends is easy.

Shows on *Allure*

How it Works

Atlantis and Royal Caribbean are presenting more productions, acts, and cabaret shows this week than ever before. We're literally tripling the number of performances that they have on a "standard" cruise! That said, it's a little different than other Atlantis cruises and requires a bit of planning. Here's how it all works.

Instead of one major theater space, we now have three. On any given night you might see a show in the Amber Theater, Aqua Theater, or Studio B.

We repeat all our performances enough to accommodate virtually everyone. While it's possible to see every performance offered during the week, we've designed more shows than nights and more entertainment to cover more tastes than ever before.

We recommend planning your week with your friends prior to making any show reservations. It's much easier to do it all at once than make a lot of changes during the cruise.

Show Reservations and Tickets

In order to control our capacities and help you plan your cruise, the main venues will use electronic ticketing for most performances. All shows are, of course, free. There is no physical ticket - your SeaPass card serves as your electronic entry and is scanned at our doors. You'll have a guaranteed space up until 10 minutes prior to showtime. Making a reservation is easy and can be done in one of the following ways:

- **Online through January 31.** You may reserve tickets online at royalcaribbean.com for all performances until 11 pm, EST on January 31. You may also cancel and/or change reservations using this system.
- **At Kiosks and Stateroom TV.** These interactive systems let you book show tickets and review and revise your original choices.
- **At the Box Office.** We'll set up several "box office" stations throughout the ship where you can book and modify show reservations. This is the best place to make reservations for large groups. Locations and hours vary daily and will be listed in the *Cruise Compass*.

We are currently putting about 80% of the available inventory for every show online, so if you're not able to get exactly what you want, there will be plenty of space for walk-in guests.

Guests in Suite Class do not have to make reservations. These guests have reserved seats at all performances up until 15 minutes prior to showtime. Just show your gold SeaPass card at the door.

Cabaret Performers

Atlantis entertainment happens throughout the ship, and all day and night. Look for some exciting shows from the following Atlantis entertainers:

Brian Nash & Nate Buccieri – Our superstar team of incredible piano entertainers. Sometimes solo, and once together!

Marty Thomas – Legendary Broadway star and recording artist, direct from the casts of *Wicked* and *Xanadu*. An Atlantis favorite returns!

Matt Yee - Outrageous boa-wearing cabaret performer.

Paige Turner – Insanely funny drag performer with original takes on just about everything. Seen recently on TV's *Shade*.

Marti Gould Cummings – New! The "Queen of Key West" is one of the most popular drag queens around, also known for her appearances with Wanda Sykes.

See our *Cruise Compass* for exact times and locations. You'll also see a few surprise shows from Team Atlantis and some of our other entertainers.

Atlantis Gay Comedy Stars

We're thrilled to present four of the world's top gay and lesbian comics in rotation in *Allure's* comedy club. Each night you can see 4 different acts, paired in 2-comic sets of an hour.

Jim David – Atlantis' longest running comic with a satirical wit.

Brad Loekle – He always gets the last laugh. And deserves it.

Joel Kim Booster – New! Rising star on the gay comedy circuit who keeps showing up on Comedy Central and Logo.

Jen Kober – New! Original lesbian comic with a fresh and fierce style blending standup and storytelling. You might have seen her on Netflix or another recent TV appearance.

The comedy club is a small, intimate space to see these amazing talents up close. Reservations are highly recommended. See the *Cruise Compass* for show times.

Movies and Video Entertainment

Atlantis and Royal Caribbean have tailored some in-room entertainment specifically for Atlantis. You'll find a variety of first run movies, gay movies, and a few classics.

Atlantis Parties & DJs

The DJs

We're thrilled to have four of our community's top DJs onboard *Allure*:

Abel	Miami
Pagano	London
Wayne G.	London
Dan Slater	Australia / Miami

And maybe a guest DJ or two!

Each DJ has their own unique style and has been selected for their particular sound. Our goal is to offer you a wide range of musical styles and variety.

The Venues

There's a lot to choose from each night as we create several distinct environments for your entertainment. We'll split up the ship in a variety of ways, both musically and thematically. Take a look around and try something new!

Solarium will be our main outdoor party space, with a massive capacity for everybody who wants to dance. We'll be open four nights, with themes on 3 of them. It's a truly spectacular space, with dancing on two levels, incredible video effects, and the wildest light and laser show you've ever seen.

AquaTheater will be our home for the afternoon T-dances, EDM concert, and our Atlantis Classics party, with the party extending right up to the Boardwalk! We've removed the seats for our parties to increase the capacity from past years and it will be sensational! Please note that T-dances must close at 6 pm to prepare for our evening shows.

Studio B will be open five nights as an alternative indoor venue, holding approximately 1800 guests. Musically we'll be a little more progressive than you've seen on an Atlantis cruise, with nights dedicated to a slightly more European sound (tribal, progressive, and trance) along with more traditional "after-hours" music. And don't miss Playground - our night of pure weird silliness.

Blaze is our after, after hours space with an intimate dance floor and lots of terrific lounge space. We'll use this as our primary early morning venue.

The Promenade will host our first night dance party and can literally hold everyone!

The Cave @ Fuel is a dedicated space for our "bears", leather crowd, and friends. It's open every night from 10 pm until late.

Dining Notes

All dining times are approximate, and may change slightly according to our port times and onboard events.

Team Atlantis will be on hand at the main restaurant to seat you, answer questions, and host tables. We always encourage you to join our other guests for meals. It's the best way to meet people! Both Atlantis and Royal will do our best to honor special seating requests. Note that we seat one deck at a time.

Please be patient during peak hours as there may be a slight wait in the main restaurants. We recommend dining before 8:00 pm or after 9:00 pm to avoid waiting in line. The best way to avoid waiting in line is to either dine before the first show or immediately afterwards, and we will always keep the main restaurant open at least 15 minutes after the early main show ends.

What's Included?

Most meals and restaurants are included. The exceptions are specialty restaurants listed below. Coffee, tea, and most juices are also included. Specialty coffees, alcoholic beverages, soft drinks, bottled water are available at our bars and restaurants for an additional charge.

We suggest taking advantage of dining in a variety of venues and enjoying your meal times with friends old and new. It's the easiest way to connect!

Specialty Restaurant & Reservations

Allure offers several distinctive and original dining experiences. There are three terrific restaurants on Central Park: Chops is an authentic steak house, with an open kitchen and warm clubby decor, Giovanni's Table features superb Italian food from celebrity chef Jamie Oliver in a relaxed trattoria setting. The jewel box 150 Central Park offers delicious farm-to-table food from chef Michael Schwartz.

Sabor is sure to be a hit with a fantastic margarita menu and modern Mexican menu. Izumi offers sushi and teppanyaki in an inviting setting.

Reservations are strongly encouraged, and a limited number of bookings may be made in advance when you register online. We will hold approximately 40% of the seats for same-day bookings to allow flexibility for all guests.

For same day dining reservations, these must be made in person, and only one reservation per stateroom will be accepted daily. The specialty restaurants are not equipped to handle parties larger than eight guests (and only a few tables are this size). Please respect these policies so that the maximum number of our guests may enjoy these unique dining experiences.

Finally, please respect that we have limited space in these restaurants and a lot of guests want to enjoy them. If your plans change, please cancel your booking in a timely manner so that we can accommodate another guest. Also, please respect your original request in terms of table size (don't show up with 8

guests when you book for 4!). Thank you.

Tank tops and gym-like shorts are not permitted in these premium restaurants and we ask that you please respect this simple dress code.

An extra charge for dining applies in each venue, including gratuity.

Singles Dining

Traveling solo doesn't mean you have to eat alone. Whenever you enter our restaurants, our Team Atlantis will graciously seat you with our other guests. Also, we're creating two special singles dinners, along with a designated meeting place for single guests to gather for drinks before dinner. See *Cruise Compass* for specific times and locations.

Special Diets

We ask that you submit any special dietary requests including allergies in writing directly to Royal Caribbean at least one week prior to sailing. Once onboard, please speak with the Maitre D' of the restaurant regarding any special requests.

Please note that since this cruise is "open seating," it is your responsibility to notify the server and/or Maitre D' of any special requests each time you dine.

Vegetarian options are available at each meal and need no advance notification.

Room Service

Room service is available 24 hours a day. See the menu in your stateroom for a complete selection and ordering instructions, and note that some specialty selections and delivery times have an extra charge. Please recognize that the staff handling room service has limited capabilities. If you're looking for a quick snack, we highly recommend Cafe Promenade, open 24 hours a day.

Optional Beverage Packages

Royal Caribbean will offer several non-alcoholic beverage packages on our charter, along with wine packages. These packages can be booked in advance when you pre-register online.

Beverage packages may also be purchased onboard at the designated tables on embarkation day or at any of the non-satellite bars at any time over the course of your cruise.

Please note that unlimited alcohol packages are not offered on charter sailings and that the packages offered might be different from a standard retail sailing.

Onboard *Allure of the Seas*

Personal Funds & Shipboard Charges

The currency onboard is U.S. dollars. Royal Caribbean ships operate on a cashless system. You can validate your Royal Caribbean *SeaPass* card with your Visa, MasterCard, Novus, or American Express card, or sign for payment by cash or traveler's check. Guests can then sign all onboard services and purchases to their account. At the end of the cruise, you will receive a completely itemized statement.

For your convenience, the ship has an onboard ATM machine that dispenses U.S. currency. Bank debit cards on the PLUS and CIRRUS networks are accepted along with the following credit cards: American Express, Discover/Novus, MasterCard and VISA. Fees will be charged per transaction.

Room Features

The rooms on the *Allure of the Seas* are truly state-of-the art, with a few features not found on other ships. The ship has both 110 (US standard) and 220 (European) voltage power outlets in the rooms. All the water onboard is filtered and potable.

Each stateroom is equipped with a hair dryer, and also has a dock for your iPod or iPhone, with built-in speakers and an alarm clock.

The interactive TV system offers a wide range of on-demand movies, as well as Atlantis programming and popular satellite channels. In addition, you can review your account, order room service, reserve show tickets and excursions, and plan out your cruise. We recommend familiarizing yourself with this system when you embark as it can save hours of standing in line!

Customs & Immigration at Sea

Upon embarkation in Miami and at each port of call, customs and immigration officials will inspect our guests and the ship. They must clear it before we are allowed to go ashore. Normally, this occurs without your knowledge or participation. Occasionally, passengers are called for inspection. In these cases, please follow the instructions provided to assure that we are able to disembark in a timely manner in each port.

While we shouldn't have to say this, please don't even think of bringing any type of illegal substance, hazardous material, or other items that are banned by customs or ship security. Any guest found with illegal substances of any kind will be removed from the ship at the next port of call and turned over to local authorities.

Atlantis and RCI both have a zero-tolerance policy for all illegal substances.

Guest Conduct Policy

Please remember that all our guests are bound by Royal Caribbean's Guest Conduct Policy. The policy is intended to help ensure that all guests are able to participate in a safe and enjoyable cruise experience and sets forth standards of conduct for guests to follow throughout their vacation. Please take a minute to read this policy on the Royal Caribbean website:

www.royalcaribbean.com/content/en_US/pdf/Guest_Conduct_Policy.pdf

Laundry & Dry Cleaning Services

Laundry, dry cleaning, spot removal and pressing services are available for an additional fee. Laundry bags and service request forms are in your room. Ask your cabin steward for details.

There are no irons in staterooms as they constitute a fire hazard. There are also no self-service laundry facilities onboard.

Gratuities and Tipping

All standard gratuities have been prepaid for this week, so there is no tipping required or expected at any time. All cabin stewards, waiters, and other personnel have been compensated at levels that are customary for a charter of this size. No additional tipping to these service personnel is needed but may be extended at your discretion if the service is exceptional.

An 18% mandatory gratuity is automatically added to bar purchases and spa services.

Smoking Policy

For the comfort of all of our guests, all indoor areas on the ship are non-smoking. Smoking is permitted only in certain areas on open decks. As a courtesy to our guests, ship personnel will thoroughly enforce the smoking policy.

No smoking is allowed in the Solarium at any time as well.

Please note that Atlantis and/or RCI reserves the right to change the smoking policy at any time depending on guest requirements. A complete detail of the smoking areas onboard can be found in your stateroom upon embarkation in the *Cruise Compass*.

Suite Class Amenities

All guests in a Grand Suite or higher category will be entitled to several unique and valuable VIP services on *Allure*. Full details will be provided upon embarkation, but here are a few of the highlights:

- **Suite Lounge Access.** You'll have exclusive access to the fabulous concierge lounge on deck 17, with the best view of the pools for breakfast, lunch, and evening cocktails. Our trained concierges will assist you with virtually all of your reservation needs, including restaurants and shows.
- **Coastal Kitchen Private Dining.** Enjoy the best view on the ship accompanied by a fresh Mediterranean menu for breakfast, lunch, and dinner. This exclusive restaurant is only available to our suite guests. Hours are posted in the *Cruise Compass*.
- **Priority Seating for Main Shows.** There's no need to reserve show tickets, just show your gold card up to 10 minutes prior to showtime and you'll walk right in! Also, we hold limited priority seating for our suite guests up until 15 minutes before the show starts.
- **Advance Specialty Restaurant Reservations.** Each suite room is allowed to make up to 3 advance bookings for this cruise at our specialty restaurants. See the Concierge for assistance.

For complete details about the suite services onboard *Allure*, see the Royal Caribbean website at the following link: royalcaribbean.com/royalsuiteclass

If You Have a Problem or Question

Both the Guest Services Desk and the Atlantis Information Desk can handle most any difficulty you may encounter. Generally, issues relating to your stateroom, the ship, schedules, or billing should be directed to the Guest Relations Desk. Questions regarding entertainment, service, Atlantis policies, special requests, or anything else should be directed to the Atlantis Desk. Questions about excursions should go directly to the Shore Excursions Desk.

If the Atlantis Desk is unattended, please feel free to ask any Team Atlantis member and we will happily assist you.

Spa Services

Allure features an exceptional full-service spa, offering a fantastic range of services including massage, facial, aromatherapy, hairstyling, and much more. Appointments for these services should be made early in your cruise, as many of the services book up early. All spa services are an additional charge which can be signed to your stateroom.

You can book spa appointments for all our port days online now. Spa appointments for our sea days will be available on Saturday afternoon,

immediately following the boat drill, in order to be fair to all our guests. The spa will be open earlier that day for tours and same-day appointments.

Medical Services

Should you require medical attention while on board, an infirmiry staff is available to assist you 24 hours a day. A doctor is available to render services at a customary charge. The infirmiry is capable of providing treatment for minor matters which may arise during your cruise and are capable of assessing and stabilizing most medical emergencies. Should you require treatment for a serious condition which requires hospitalization, then arrangements may be made to transfer you to a medical facility ashore. While at sea, the ability to transfer you to a shore side facility may be limited or delayed by weather or logistical considerations. If you are currently suffering from a serious medical condition, please consult with your personal physician prior to sailing. Royal Caribbean's doctors are independent contractors.

Important Health Notice -- Please Read!

If you should come down with a contagious disease, or even suspect a contagious disease, it's compulsory that you report it to the ship's infirmiry for the safety of everyone on board. Should you be on any medication, or want the medical staff to be aware of any special needs, please contact the infirmiry. This will ensure that they will be prepared should you need assistance.

In rare instances, the ship's medical staff may determine that your medical condition will require you to be quarantined in your stateroom to protect the health of our other guests. While both RCI and Atlantis will make every effort to make you comfortable in such a situation, we are unable to compensate lost vacation time due to quarantine.

Please note that the ship follows C.D.C. guidelines on all quarantine issues, and there is little flexibility in applying the rules, particularly where gastrointestinal symptoms are present.

As always, we highly recommend travel insurance to assist with unforeseen costs and reimbursement for missed vacation time due to illness of any type. If you do not have travel insurance, it can be purchased virtually right up to departure time.

Safety At Sea

Atlantis and Royal Caribbean want you to have lots of fun in a safe and enjoyable environment throughout your journey onboard *Allure of the Seas*. Given the large numbers of people enjoying our parties and events, we've decided to bring some additional team members to supplement the superb onboard staff of *Allure*.

Care Team

Our new Care Team is here to help! At all our parties and events you'll find a team of dedicated medical professionals here to assist with absolutely anything. They will be wearing bright blue T-shirts with our Care Team logo and all have experience in working large festivals, sports events, and nightlife.

If you or anybody around you needs assistance or might need medical care, please simply ask them. They are here to help and will provide support in a non-judgmental manner regardless of the situation. All matters are handled in the same ethical manner as in a land-based hospital.

Most importantly, please look after yourselves and each other. If you see somebody who over-indulged or is unwell, please let our team assist first.

Enjoy yourselves, but remember to take breaks to eat, sleep, and of course hydrate! Most people don't realize how different being at sea is and how the combination of motion, sun, and late hours can sneak up on you. Take a night off once and a while and explore the myriad of options we have planned for you!

You are here on vacation, and we truly want you to go home feeling rested, not exhausted.

Miami Pre-Cruise

Salvation Sailaway in Miami

There's only one official dance party the night before the cruise, produced by Hilton Wolman at Miami's Loft nightclub. The World's Largest Gay Cruise deserves a special edition of Salvation, South Florida's most famous party with incredible music from DJs Aron & Alex Ramos.

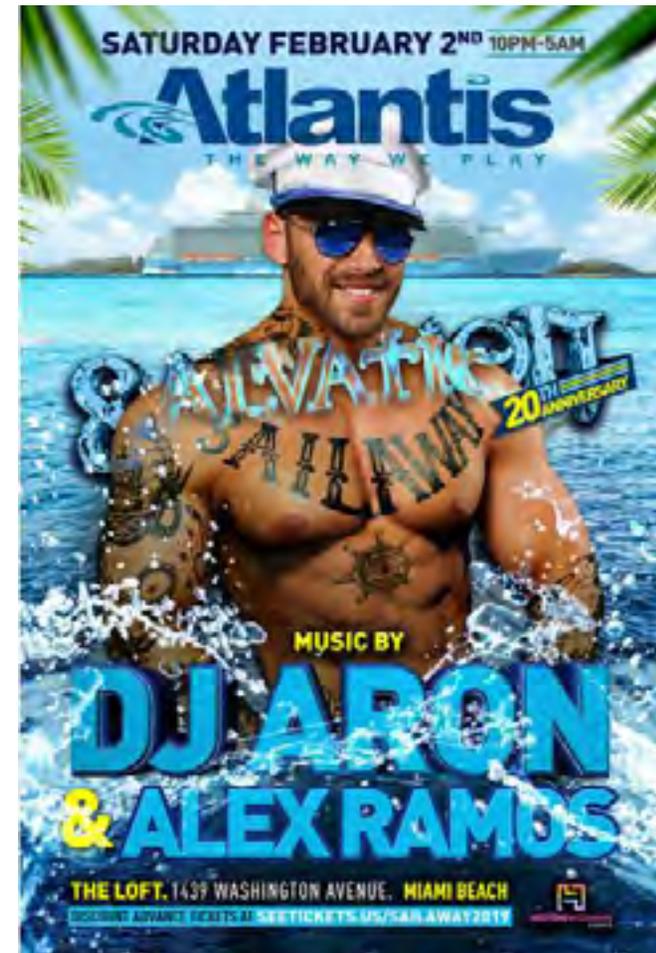

Saturday, February 2

10 pm - late

The Loft

1439 Washington Ave

Advance tickets are available at seetickets.us/sailaway2019.

After Your Cruise

Arrival into Miami

Upon arriving into Miami after your cruise, we will begin disembarkation around 7 am. This procedure generally takes two hours. If you have a flight earlier than 11 am, please notify Royal Caribbean onboard and we'll do our best to prioritize your departure.

After leaving the vessel you may claim your luggage on the pier. Baggage lost or damaged must be reported to Royal Caribbean prior to leaving the baggage claim area.

Airport Transfers to MIA or FLL

Royal Caribbean will offer group transfers to both the Miami and Ft. Lauderdale airports onboard during your cruise. Rates and information will be sent to your stateroom during the cruise, or inquire at the Guest Relations Desk.

If you are going directly to the airport upon arrival into Miami, we strongly recommend purchasing the Royal Caribbean transfers. Taxis are available, but the bus is a lot easier and faster...

Keeping In Touch

Before Sailing

If you need to reach Atlantis prior to your cruise, you may contact us at 310-859-8800.

You can also contact Royal Caribbean Cruises at 800-256-6649 or 305-539-4107.

Satellite Telephone Access

You can make ship-to-shore calls from your stateroom, 24 hours a day. A per minute charge applies and will automatically be charged to your *SeaPass* account.

Friends and family can reach you 24 hours a day via Royal Caribbean's Satellite Service. Have them call 888-724-SHIP (7447) from the USA. The cost can be billed to their American Express, MasterCard, or Discover cards. (From outside the U.S.A., additional long distance charges will apply).

Internet Access – VOOM!

Allure of the Seas offers the fastest ship-wide internet access at sea for an additional fee. Every stateroom has wireless access, as do most public areas throughout the ship. Connection fees apply with a range of packages available either in advance or onboard. VOOM is amazing, and you won't know you're even at sea!

Advance purchase packages are available when you register.

Cell Phone Access Onboard

Allure is specially equipped to allow your mobile phone to work onboard. Please note that roaming charges apply, and will be billed directly by your home carrier. Rates vary by carrier, but are considerably cheaper than using the satellite phones. Check with your carrier prior to sailing for specific rates.

This access only works while at sea. When in port, the local land operator's roaming charges will apply. Again, check with your operator to see what roaming options exist.

Atlantis Team

Our Atlantis team is made up of our full-time employees and part-time talent working together to create an exciting cruise experience for you.
