Itinerary Notes

Please note that all arrival and departure times are approximate and may change without notice. Also, the times listed here are slightly different than what was originally published on the Atlantis web site. The times above are correct.

Itinerary Changes

Atlantis and NCL (Norwegian Cruise Line) have carefully planned this itinerary for maximum enjoyment in all our ports and onboard your ship. Although we do our best to adhere to published ports and times, unforeseen weather and/or sea conditions may force us to alter the itinerary during your cruise.

In the unlikely event of an itinerary change while sailing, we will communicate our new plan both through ship wide (outside of cabin) announcements and through an updated Freestyle Daily (NCL’s daily onboard newsletter). Neither Atlantis nor NCL shall be held liable for any damages resulting from any itinerary change according to your Passenger Cruise Contract.
**Do This Right Now**

**Review Your Passport and Visa Documents**

A valid passport is required for all guests. No visas are required to visit Taiwan or Hong Kong for citizens of most countries. However, if you are in doubt, please check with their consulate for a complete list. You do NOT need a visa to visit Shanghai as long as you take at least one "organized tour" offered by NCL. Once you have taken the tour, you are free to come and go as you please while the ship is docked in Shanghai. We have worked closely with NCL to develop tours to match our needs and offer you both outstanding ways to see the city as well as an opportunity to explore on your own. If you do have a visa for China, then you would not be required to take a tour first.

Please note that it is your responsibility to have the necessary documentation before boarding the ship. Failure to provide proper and valid documentation will result in denied boarding, and no refund will be provided.

**Make Two Copies of Your Passport**

In order to board, you will need to bring two copies of the identification pages of your passport, along with copies of any required or optional visas. While we will have the ability to make copies at the pier, you'll be onboard much quicker if you make these copies in advance.

So, do this now and stash them in your carry-on. It will make check-in a breeze!

**Register Online To Download Your Travel Documents**

Please take a few minutes right now to register online for this cruise in order to obtain a full copy of your cruise documents and cruise ticket from NCL Cruises. Please visit the following link by April 14 to register:

https://www.ncl.com/shorex/register

You will need both your NCL Reservation Number from the email you received from Atlantis, and your passport to register. Please note that the NCL Reservation Number is different from the Atlantis Confirmation Number.

No paper documentation is required to board this cruise since all records are stored electronically. All you need is your passport and a valid credit card for incidentals. A copy of your cruise ticket and luggage tags may be downloaded from the NCL website once you have registered. Additional luggage tags will be available at the pier.

Please note that your acceptance of both the Atlantis Confirmation Letter and the NCL Passenger Cruise Contract constitutes acceptance of the conditions contained therein.
Before You Depart

Packing Advice

Atlantis emphasizes a casual, comfortable atmosphere with no specified dress code. Sportswear and casual attire are appropriate at all times. There are no formal nights, and absolutely no need for a jacket and tie.

The only real rule is that no tank tops or gym-type shorts are permitted in the specialty restaurants. This is a premium experience and we want to maintain a quality ambiance for all our guests. Thank you for your understanding and cooperation on this one.

The weather from Hong Kong up to Shanghai should be pleasant with highs in the upper 70s and lows in the upper 60s. Shanghai and the Japanese ports will be around 10 degrees cooler both day and night. Plan for a little of everything on this cruise in terms of weather.

Our ports are cities with no specific dress requirements, although most people dress conservatively and simply. Some tours involve long bus rides and/or considerable walking so comfort is essential.

Party Themes

Our theme parties are legendary and dressing up is part of the show but is of course always optional. You’ll be comfortable with or without an outfit. This cruise presents a few challenges since we will be in very different climates throughout and most of you don’t want to drag a lot of costumes around the planet. With that in mind, we’re keeping things really simple but fabulous!

We’re planning to present the T-dances outdoors on the Sapphire Pool Deck, weather permitting. Our evening parties will be split between the pool deck and Spinnaker Lounge depending on the weather.

• Dog Tag T-Dance - Atlantis’ signature T-dance sails the western Pacific for the very first time where men in (small) uniforms are the fashion. Be inspired by our troops, but please leave the toy weapons at home. It’s a party, not a battle! We’ll provide dog tags, you do the rest!

• Characters T-Dance - We’ll be drawn together at an afternoon party to celebrate the illustrated. All characters welcome, from anime to emoji, cartoon to video game, Disney to Nickelodeon, and everything in between. So, paint one on and join in the fun! Spectators and collectors welcome, of course.

• Revival Disco T-Dance - Disco lives on as we take you back to the glory days of the 70s for an afternoon of pure musical magic on the dance floor. Artificial fabrics, excess facial hair, oversized shoes, and obnoxious accessories welcome!

• Blink! - We’re visiting cities filled with bright, bold, and neon styles, so let’s bring it all back onboard for a colorful party where everyone lights up the night! Accessorize with something literally flashy, pull out that neon look, or go all-out future fantastic. We’ll provide some blinking accessories to enhance the fun.

• Night Market - A party with one simple rule. The only outfits and accessories must be bought on the streets (or stores) of Asia’s markets as you explore Hong Kong and Taipei. You’ll find everything from traditional to deliciously tacky. Think Mardi Gras, with an Asian sensibility. And you don’t have to pack a thing!

• White Blossoms - From white cherry blossoms to white lotus flowers, the cultures in our journey cherish these symbols of purity which we celebrate tonight with pride. Dress white and accessorize any way you desire.

Of course, there are plenty of other parties onboard as well, but they don’t need any advance planning.

Currency Advice

The entire ship operates on U.S. dollars on-board. U.S. dollars are widely accepted in all ports. Current exchange rates are:

- Hong Kong (HKD) $1 USD = 7.85 HKD
- Taiwan (NT$) $1 USD = 30.85 NT$
- China (¥) $1 USD = 6.71 ¥
- Japan (JP¥) $1 USD = 110.88 JP¥

We recommend using your ATM card to get the best rate of exchange for cash, just be wary of bank fees. There are plenty of ATM machines throughout our ports. You’ll get the best exchange using credit cards for large purchases.

And always select the “Local currency” option when making purchases to avoid transactions fees.

Baggage Essentials

Most airlines, especially non-US airlines, limit checked bags and carry-on luggage. Check with your carrier for specific allowances. The standard limit is 50 pounds (23 kilos) per piece. Excess or overweight bags may incur a substantial surcharge, so please plan accordingly.

There are no weight limits or bag fees for the cruise itself.
Embarkation Day!

Getting to The Port

Norwegian Jewel will depart from the The Kai Tak Cruise Terminal located in East Kowloon at the heart of Victoria Harbour. The address is 33 Shing Fung Road, Kowloon.

Taxis in Hong Kong are readily available and are truly the only way to get to the pier. There is no public transport at this time.

For guests that have booked rooms at the Sheraton Hong Kong through Atlantis, transfer to the ship are included and instructions will be provided upon arrival.

Important Check-In Time Information

Embarkation begins around 12:30 pm, and we’ll start check-in around noon. Check-in moves very, very quickly here if you’re pre-registered with NCL.

With that in mind, we certainly don’t recommend that you all show up at the same time. You’ll just end up standing in line. So, please follow these highly suggested arrival times:

- Suites & Haven Guests: 12 pm onwards
- Mini Suite Guests: 12:30 pm
- Balcony Categories B1 - BA: 1:00 pm
- Balcony Categories BB-BX: 1:30 pm
- Oceanview Rooms: 2:00 pm
- Interior Rooms: 2:30 pm

Please note that you must be at the pier and checked in no later than 4 pm or you may be denied boarding.

Jewel sails at 5 pm sharp on April 17th!

What Do I Need to Check-In?

Since your reservation is electronic, all you need is a valid passport and a valid credit card to check-in for this cruise. You will then be issued a stateroom card, which will serve as your room key and identification card for boarding and reboarding the ship!

Alcoholic Beverage and Other Restrictions

No beer or hard liquor may be brought onboard for consumption. If you wish to bring personal wine onboard with you at the beginning of the cruise, you may do so, limited to two (2) bottles per stateroom. When enjoyed in any shipboard restaurant, bar or dining venue, each bottle shall be subject to a corkage fee.

NCL reserves the right to limit or refuse alcoholic beverages to be brought aboard the ship for consumption during your cruise vacation. Any alcohol placed in checked baggage or carried on will be removed and possibly destroyed. Alcohol purchased onboard or in port will be held in secure storage and delivered to your stateroom on the last night of the cruise.

Prohibited Items

Please do not bring any of the following onboard, and do not place these items in your checked luggage: Irons (including travel irons), alcoholic beverages, knives, firearms, or any other potentially dangerous item.

If your luggage contains any of the above items, your bag will be held at security and will not be delivered to your stateroom. Full details on prohibited items can be found on the Norwegian website.

Lost Luggage Assistance

If your luggage does not arrive with you, please do all of the following:

1. Get a complete report from the airline, including a receipt and tracking number for your luggage. Make sure that you tell the airline that you are boarding Norwegian Jewel.

2. Upon arrival on the ship, go immediately to guest relations where they will make a copy of your lost baggage report. The ship will attempt to track your luggage and follow up directly with the airlines.

3. Be patient. Depending on the airline it might arrive prior to sailing. Our port agents, in concert with the ship, will attempt to deliver any lost luggage directly to your room. If your luggage does not arrive, they will keep you informed with the latest news from your airline.

Please understand that neither Norwegian nor Atlantis has lost your luggage. We can only assist you in recovering your luggage from the airline and in communicating with them. Ultimately, the airline is responsible to you for any loss or inconvenience you encounter.

However, in our experience most bags turn up in the first 48 hours.
Atlantis Cruise Essentials

Atlantis Daily Program

The Atlantis version of the Jewel daily program, called Freestyle Daily, will be delivered to your stateroom each night with a complete schedule for the following day. All activities, shows, and function times are described here. Since this is our primary method of communicating with you, please read it daily. Changes and/or updates from our original schedule are common during a cruise.

If you don’t feel like reading, take 5 minutes each morning to watch Malcolm’s daily TV broadcast for a more entertaining look at the upcoming day’s events. You can find this on your stateroom television.

Team & Information Desk

Our office and volunteer Team Atlantis staff will be on hand throughout to host and assist with every aspect of your vacation. Please don’t hesitate to ask any of us if you have a question or require assistance. We are available 24 hours a day, and always wear Atlantis name badges.

We also offer a general information desk located adjacent to Guest Services on Deck 7. Hours vary and are posted in Freestyle Daily.

Atlantis staff can also be reached through Guest Services at any time.

Friendly Social Gatherings

We celebrate the diversity and diverse interests in our community with a set of casual places for you to meet guests with similar interests. Here are a few samples:

Special Events for Singles

We host several special events throughout the week for our single guests, ranging from cocktail parties to special dinners. Please see Freestyle Daily for information on specific events.

Atlantis Publicity Photos & Video

We will have a photographer and video crew onboard to document our voyage and assist us in creating our future collateral materials.

Atlantis does not use “random” shots for our publicity, so if you do not wish to be seen in our photos, please feel free to tell our photographer.

Future Atlantis Cruise Sales

During the last few days of your cruise, we will offer a chance to reserve a future Atlantis vacation with a special onboard booking discount. Details will be delivered to your stateroom and booking times will be listed in Freestyle Daily.

No Solicitation Policy

Atlantis does not allow our guests to solicit other guests for any service or business while onboard our cruises. Please respect our other guests’ right to enjoy themselves in an advertising-free environment.

Any guest that violates this policy by distributing materials, voice mails, or other sales communications to our guests will be subject to a $2500 fine applied directly to their onboard account. Thank you for your understanding.

Atlantis Room Share Program

If you are participating in our room share program, you have been assigned a roommate based on smoking preferences. Your roommate’s name may appear on your confirmation, but is subject to change. This program is offered as a convenience and service for our single travelers, and as such no roommate changes are permitted for any reason whatsoever.

Dining Notes

All dining times are approximate, and may change slightly according to our port times and onboard events.

Team Atlantis will be on hand at the main restaurant to seat you, answer questions, and host tables. We always encourage you to join our other guests for meals. It’s the best way to meet people! Both Atlantis and Norwegian will do our best to honor special seating requests. Note that we seat one deck at a time.

Please be patient during peak hours as there may be a slight wait in the main restaurant. We recommend dining before 8 pm or after 9 pm to avoid waiting in line. The best way to avoid waiting in line is to either dine before the first show or immediately afterwards, and we will always keep the main restaurant open at least 15 minutes after the early main show ends.

What’s Included?

Most meals and restaurants are included. The exceptions are specialty restaurants listed on previous page. Coffee, tea, and most juices are also included. Specialty coffees, alcoholic beverages, soft drinks, bottled water are available at our bars and restaurants for an additional charge.

We suggest taking advantage of dining in a variety of venues and enjoying your meal times with friends old and new. It’s the easiest way to connect!

Specialty Restaurant & Reservations

Jewel offers several distinctive and original dining experiences, found nowhere else at sea. Le Bistro is an elegant French restaurant, featuring an upscale dining experience with crisp white linens and intimate atmosphere. La Cucina is a vibrant Italian restaurant with classic country dishes in a casual and friendly setting. Chin Chin combines Japanese, Thai and Chinese cuisine. Teppanyaki is an authentic Japanese Hibachi restaurant with lively shared conversations over chops and grills steak, seafood and chicken. Sushi & Sake Bar is a contemporary sushi bar with traditional Japanese culinary bites. Moderno Churrascaria is an decadent Brazilian steakhouse, with meats carved tableside by authentic Pasadores. Cagney’s is an American-style steakhouse. Java Café offers specialty coffees and pastries.

Reservations are strongly encouraged, and may only be made onboard for same and next day dining. See the Freestyle Daily for details about where and how to make a booking.

Please note that specialty restaurants are not equipped to handle parties larger than eight guests (and only a few tables are this size). Please respect these policies so that the maximum number of our guests may enjoy these unique dining experiences.

Finally, please respect that we have limited space in these restaurants and
many of our guests want to enjoy them. If your plans change, please cancel your booking in a timely manner so that we can accommodate another guest. Also, please respect your original request in terms of table size (don't show up with 8 guests when you book for 4). Thank you.

Tank tops and gym-like shorts are not permitted in the premium restaurants and we ask that you please respect this simple dress code.

An extra charge for dining applies in each venue, including gratuity.

**Singles Dining**

Traveling solo doesn't mean you have to eat alone. Whenever you enter our restaurants, our Team Atlantis will graciously seat you with our other guests. Also, we're creating two special singles dinners, along with a designated meeting place for single guests to gather for drinks before dinner. See Freestyle Daily for specific times and locations.

**Special Diets**

We ask that you submit any special dietary requests including allergies in writing directly to NCL prior to sailing. Once onboard, please speak with the Maitre D’ of the restaurant regarding any special requests.

Please note that since this cruise is “open seating,” it is your responsibility to notify the server and/or Maitre D’ of any special requests each time you dine.

Vegetarian options are available at each meal and need no advance notification.

**Room Service**

Room service is available 24 hours a day. See the menu in your stateroom for a complete selection and ordering instructions, and note that some specialty selections and delivery times have an extra charge. Please recognize that the staff handling room service has limited capabilities. If you're looking for a quick snack, we highly recommend Garden Cafe.

**Optional Beverage Packages**

Norwegian is offering several non-alcoholic beverage packages on our charter, along with wine packages. These packages can be booked in advance when you pre-register online.

Beverage packages may also be purchased onboard at the designated tables on embarkation day or at any of the non-satellite bars at any time over the course of your cruise.

Please note that unlimited alcohol packages are not offered on charter sailings.
Onboard Norwegian Jewel

Personal Funds & Shipboard Charges

The currency onboard is U.S. Dollars. Norwegian ships operate on a cashless system. You can validate your Norwegian Charge Card with your Visa, MasterCard, Diner’s Club, or American Express card, or sign for payment by cash or traveler’s check. Guests can then sign all onboard services and purchases to their account. At the end of the cruise, you will receive a completely itemized statement.

For your convenience, the ship has an onboard ATM machine that dispenses U.S. currency. Bank debit cards on the PLUS and CIRRUS networks are accepted along with the following credit cards: American Express, Discover/Novus, MasterCard and VISA are accepted. Fees will be charged per transaction.

Room Features

The rooms on the Jewel are extremely comfortable and modern, with a few features not found on other ships. The ship has both 110 (US standard) and 220 (European) voltage power outlets in the rooms. All the water onboard is filtered and potable. Additional amenities include an interactive TV and 24-hour room service.

Customs & Immigration at Sea

Upon embarkation and at each port of call, customs and immigration officials will inspect our guests and the ship. They must clear it before we are allowed to go ashore. Normally, this occurs without your knowledge or participation. Occasionally, passengers are called for inspection. In these cases, please follow the instructions provided to assure that we are able to disembark in a timely manner in each port.

While we shouldn’t have to say this, please don’t even think of bringing any type of illegal substance, hazardous material, or other items that are banned by customs or ship security. Any guest found with illegal substances of any kind will be removed from the ship at the next port of call and turned over to local authorities. Guests removed from the ship pursuant to this policy are responsible for their own accommodations and transportation home, at their expense and no refund will be offered for the unused portion of their cruise.

Atlantis and Norwegian both have a zero-tolerance policy for all illegal substances.

Laundry & Dry Cleaning Services

Laundry, dry cleaning, spot removal and pressing services are available for an additional fee. Laundry bags and service request forms are in your room. Ask your cabin steward for details.

There are no irons in staterooms as they constitute a fire hazard. There are also no self-service laundry facilities onboard.

Gratuities and Tipping

All standard gratuities have been prepaid for this week, so there is no tipping required or expected at any time. All cabin stewards, waiters, and other personnel have been compensated at levels that are customary for a charter of this size. No additional tipping to these service personnel is needed but may be extended at your discretion if the service is exceptional.

An 18% mandatory gratuity is automatically added to bar purchases and spa services.

Smoking Policy

For the comfort of all of our guests, all indoor areas on the ship are non-smoking. Smoking is permitted only in certain areas on open decks. As a courtesy to our guests, ship personnel will thoroughly enforce the smoking policy.

Smoking is not allowed on stateroom balconies at any time.

Please note that Atlantis and/or Norwegian reserves the right to change the smoking policy at any time depending on guest requirements. A complete detail of the smoking areas onboard can be found in your stateroom upon embarkation in the Freestyle Daily.
If You Have a Problem or Question

Both the Guest Services Desk and the Atlantis Information Desk can handle most difficulties you may encounter. Generally, issues relating to your stateroom, the ship, schedules, or billing should be directed to the Guest Services Desk. Questions regarding entertainment, service, Atlantis policies, special requests, or anything else should be directed to the Atlantis Desk. Questions about excursions should go directly to the Shore Excursions Desk.

If the Atlantis Desk is unattended, please feel free to ask any Team Atlantis member and we will happily assist you.

Spa Services

Jewel features an exceptional full-service spa, offering a fantastic range of services including massage, facial, aromatherapy, hairstyling, and much more. Appointments for these services should be made early in your cruise, as many of the services book up early. All spa services are an additional charge which can be signed to your stateroom.

Medical Services

Should you require medical attention while onboard, an infirmary staff is available to assist you 24 hours a day. A doctor is available to render services at a customary charge. The infirmary is capable of providing treatment for minor matters which may arise during your cruise and are capable of assessing and stabilizing most medical emergencies. Should you require treatment for a serious condition which requires hospitalization, then arrangements may be made to transfer you to a medical facility ashore. While at sea, the ability to transfer you to a shore side facility may be limited or delayed by weather or logistical considerations. If you are currently suffering from a serious medical condition, please consult with your personal physician prior to sailing. Norwegian's doctors are independent contractors.

Important Health Notice -- Please Read!

If you should come down with a contagious disease, or even suspect a contagious disease, it’s compulsory that you report it to the ship's infirmary for the safety of everyone on board. Should you be on any medication, or want the medical staff to be aware of any special needs, please contact the infirmary. This will ensure that they will be prepared should you need assistance.

In rare instances, the ship's medical staff may determine that your medical condition will require you to be quarantined in your stateroom to protect the health of our other guests. While both Norwegian and Atlantis will make every effort to make you comfortable in such a situation, we are unable to compensate lost vacation time due to quarantine.

Please note that the ship follows C.D.C. guidelines on all quarantine issues, and there is little flexibility in applying the rules, particularly where gastrointestinal symptoms are present.

As always, we highly recommend travel insurance to assist with unforeseen costs and reimbursement for missed vacation time due to illness of any type. If you do not have travel insurance, it can be purchased virtually right up to departure time.
Hong Kong Before Your Cruise

Events in Hong Kong

We are working on a pre-cruise party for the night of April 16th, but it might be difficult to secure a venue in Hong Kong. Watch your email for more details in a few days.

Getting Around

We always recommend taking the MTR trains to quickly and efficiently move around the city. You can, and should, buy an Airport Express Travel Pass (including one airport ride) when you arrive at the Hong Kong Airport. This gives you three full days of travel around the city along with the transfer from the airport for around $30 USD. It’s a bargain and makes your stay effortless.

Pre-Cruise Hotel in Hong Kong

If you purchased the Atlantis pre-cruise hotel package, we will be at the following property:

Sheraton Hong Kong
20 Nathan Rd, Tsim Sha Tsui, Hong Kong

The best way to get to the hotel from the airport is by Airport Express Train. Get off at Hong Kong station and transfer to the Tsuen Wan line. Two stops later is Tsim Sha Tsui and the hotel is directly above the station. It’s easier than it sounds and the trains are well equipped to handle luggage. A combined train ticket and MTR pass can be bought at the airport and is a very good idea. See above.

Taxis are available as well, and are reliable but much slower and more expensive.

Your hotel room and tax are prepaid, and breakfast is included daily. We will have a welcome letter at the hotel with full details about getting to the ship on Wednesday.

Atlantis Desk in Hong Kong

Our team will staff a desk in the Sheraton Hong Kong during the following hours to assist with questions and local recommendations.

April 15 7 pm - 9 pm
April 16 10 am - Noon
April 17 10 am - Noon for departures

Even if you’re not staying at the Sheraton, you are welcome to drop by for advice and to connect. We’d love to see you and we know the city very well.

Tokyo After Your Cruise

Arrival into Yokohama

Upon arriving into Yokohama after your cruise, we will begin disembarkation around 7 am. This procedure generally takes two hours. If you have a flight earlier than Noon, please notify Norwegian onboard and we’ll do our best to prioritize your departure.

After leaving the vessel you may claim your luggage on the pier. Baggage lost or damaged must be reported to Norwegian prior to leaving the baggage claim area.

Airport and City Transfers

Norwegian will offer group transfers to both of the Tokyo airports and the city center during your cruise. Rates and information will be sent to your stateroom, or you can inquire at the Guest Services Desk.

If you are going directly to the airport upon arrival into Yokohama, we strongly recommend purchasing the Norwegian transfers. Taxis are available, but much much more expensive.

Events in Tokyo

Most of you will be staying in Tokyo for a least a few days after we arrive, and should. It’s going to be an insanely busy week, combining their Gay Pride, Golden Week, and the Emperor’s abdication/replacement ceremony. It might be the busiest week Tokyo’s seen in years!

We’re working with the local promoters to give you a full guide and suggestions on gay Tokyo and will have materials for you onboard during the cruise.
Keeping In Touch

Before Sailing

If you need to reach Atlantis prior to your cruise, you may contact us at 310-859-8800.

You can also contact Norwegian Cruises at 866-234-7350.

Satellite Telephone Access

You can make ship-to-shore calls from your stateroom, 24 hours a day. The cost is $7.95 per minute and will automatically be charged to your account.

Friends and family can reach you 24 hours a day via Norwegian’s Satellite Service. Have them call 888-627-4477 from the USA, or 1-732-335-3280 from the rest of the world. The cost is $7.95 per minute and can be billed to their American Express, MasterCard, or Discover cards. (From outside the U.S.A., additional long distance charges will apply).

Internet Access – Xcelerate Internet

Norwegian Jewel has some of the most advanced internet services at sea. Every stateroom has wireless access, as do most public areas throughout the ship. Connection fees apply with a range of packages available.

Finally, we recommend turning all mobile broadband devices to “Airplane Mode” while onboard. They tend to hold onto an IP address that another user could be utilizing.

The Norwegian iLounge is the first Authorized Apple Specialist at Sea with state of the art Macbook Pros and iMacs for guest usage. We found that the internet cafe was very busy, so highly recommend bringing a device if you need to access the internet regularly during your vacation.

Cell Phone Access Onboard

Jewel is equipped to allow your mobile phone to work onboard. Please note that roaming charges apply, and will be billed directly by your home carrier. Rates vary by carrier, but can be considerably cheaper than using the satellite phones. Check with your carrier prior to sailing for specific rates.

This access only works while at sea. When in port, the local land operator’s roaming charges will apply. Again, check with your operator to see what roaming options exist.
