Itinerary Notes

Please note that all arrival and departure times are approximate and may change without notice. Also, the times listed here are slightly different than what was originally published on the Atlantis web site. The times above are correct.

Itinerary Changes

Atlantis and Royal Caribbean have carefully planned this itinerary for maximum enjoyment in all our ports and onboard your ship. Although we do our best to adhere to published ports and times, unforeseen weather and/or sea conditions may force us to alter the itinerary during your cruise.

In the unlikely event of an itinerary change while sailing, we will communicate our new plan both through ship wide (outside of cabin) announcements and through an updated Cruise Compass. Neither Atlantis nor Royal Caribbean shall be held liable for any damages resulting from any itinerary change according to your Passenger Cruise Contract.
Do This Right Now

Review Your Passport or Proof of Citizenship Documents

In order to travel, a valid passport is preferred and required for all guests from outside the U.S.A. Proof of citizenship in the form of an original birth certificate and a government issued photo ID is acceptable for U.S. citizens only. Visas are not required for citizens of the US and Canada. Visa requirements for all other nationalities vary and should be checked with the embassy or consulate of each country visited on your itinerary.

Please note that it is your responsibility to have the necessary documentation before boarding the ship. Failure to provide proper and valid documentation will result in denied boarding, and no refund will be provided.

Register On-line With Royal Caribbean Line (RCI)

Please take a few minutes to register on-line for this cruise in order to obtain a full copy of your cruise documents from Royal Caribbean. Once registered, you should print the Boarding Pass and bring it with you to the pier. This will allow you to check in quickly and board in minutes. You may register anytime until January 26th.

To complete On-line Check-in, you will need:
- Royal Caribbean Booking Number (same for all guests in each stateroom)
- Full legal name as Atlantis has it recorded
- Your Passport information
- Credit card to use for onboard purchases

To Begin:
- Log into RoyalCaribbean.com
- Go to https://secure.royalcaribbean.com/beforeyouboard/boardingDocuments.do

For On-line Check-In Assistance, please contact RCI at 866-562-7625.

If you are unable to complete on-line check-in, manual forms will be available at the pier. It just might take a bit longer to process and get you onboard.

Book Shore Excursions Now

You can reserve shore excursions in advance on the RCCL website (royalcaribbean.com) until January 20th. Upon arrival to the ship, you will receive tickets for your pre-booked excursions in your stateroom.

You may purchase additional shore excursions onboard, subject to availability, at the Shore Excursions Desk. You may also book shore excursions through your TV set using the RCTV system in your room.

Atlantis has worked closely with RCCL to enhance and develop excursions that will be fun and exciting for our group. Many of the excursions are “exclusive” to Atlantis guests, although in some cases the tours may be mixed with guests from other cruise ships. If you are in doubt, please inquire with Shore Excursions before booking.

Review your Flight Plans

This sounds obvious, but take a minute right now and make sure that your flights are booked correctly to Ft. Lauderdale.

Make sure you have enough time to depart correctly from the ship on January 29th as well. Your flight should not depart before 10 am.
Before You Depart

Packing Advice

Atlantis emphasizes a casual, comfortable atmosphere with no specified dress code. Sportswear and casual resort attire is appropriate at all times. There are no formal nights, and absolutely no need for a jacket and tie.

The only real rule is that no tank tops or gym-type shorts are permitted in the specialty restaurants. This is a premium experience and we want to maintain a quality ambiance for all our guests. Thank you for understanding and cooperation on this one.

Plan for warm, even hot weather with slightly cooler breezes at night. We recommend loose, comfortable cottons and other lightweight clothing.

Our ports are beach resorts with no specific dress requirements. We suggest casual beach wear and some really comfortable shoes. Some tours involve long bus rides and/or considerable walking so comfort is essential.

Daytime at sea is time for swimwear and flip flops.

Bring lots of sunblock.

Party Themes

Our theme parties are legendary and dressing up is part of the show, but is of course always optional. You'll be comfortable with or without an outfit. All dance parties will be outdoors either in the AquaTheater or Solarium.

• Superstars! – They're always the ones you remember, sometimes not until they're gone. Fabled, famed, heroic, written, crafted, cast, or thrust into the role, true superstars inspire this world and beyond. Tonight you get to be one, create one, or mock one of the stars from any realm you choose.

• Untamed - As we leave the civility of the Mayan shore, go wild as you want with a trip to the jungle's edge where tribes of scantily dressed natives roam the steamy decks. Brave warriors hunt their prey, explorers find bountiful treasures, and animalistic instincts run wild in the pre-Grindr era of civilization. Dress for conquering in tribal, native, body paint, or any eco-friendly manner you choose. Modern researchers welcome, of course.

• Atlantis White Party - Big. Simple. And endlessly fun. A party in one universal color that’s received way too much attention this year but that everybody looks good in. Let your creative spirit soar!

• Dog Tag T-Dance - The longest-running Atlantis signature party brings everyone together for an afternoon of inspired silliness. Start with a very loose interpretation of military wear and we’ll do the rest at the XXL version of this incredible T-dance.

• Players T-Dance - Sports, Beach, & Boards come together for a frolicking afternoon outdoors to celebrate Players of all types. From sports stars and fans to beach bums and beauties and every manner of board (surf, chess, boogie, snow, skate, shuffle, monopoly, ironing, well, you get the idea), it’s time to let the playful spirit loose in all of us. It’ll be hot under the sun so plan accordingly.

• Revival T-Dance - Disco lives on as we take you back to the glory days of the 70s with an afternoon of pure musical magic on the dance floor. Artificial fabrics, excess facial hair, oversized shoes, and other obnoxious accessories welcome.

Of course, there are many other parties onboard as well, but they don’t need any advance planning.

Currency Advice

The entire ship operates on U.S. Dollars on-board and all our ports use the Mexican New Peso ($N).

Mexican Peso (MXN)  $1 USD = $N 21.66

We strongly recommend using your ATM card to get the best rate of exchange for cash, just be wary of bank fees. There are plenty of ATM machines throughout our ports. You’ll get the best exchange by using a credit cards for large purchases.

And always select the “Local currency” option when making purchases to avoid transactions fees.

Baggage Essentials

Most airlines, especially non-US airlines, limit checked bags and carry-on luggage. Check with your carrier for specific allowances. The standard limit is 50 pounds (23 kilos) per piece. Excess or overweight bags may incur a substantial surcharge, so please plan accordingly.

There are no weight limits or bag fees for the cruise itself.

Prohibited Items

Please do not bring any of the following onboard, and do not place these items in your checked luggage: Irons (including travel irons), alcoholic beverages, knives, firearms, or any other potentially dangerous item.

If your luggage contains any of the above items, your bag will be held at security and will not be delivered to your stateroom. Full details on prohibited items can be found on the Royal Caribbean website.
Embarkation Day!

Getting to Port Everglades

The easiest way to get to the port is by taxi, which are readily available at the Ft. Lauderdale airport. The port is a 10-minute cab ride from the airport, and costs about $15. Taxis from Miami take about 45 minutes and cost about $75. Uber and Lyft are available and much cheaper.

Covered parking is available for a rate of $15.00 per day.

For driving directions to Port Everglades, please see your Royal Caribbean cruise documents.

Important Check-In Time Information

Embarkation begins around 12:30 pm, and we’ll start check-in around Noon. While the terminal is very large and efficient, remember that we have to process 5200 guests. If you’re not arriving on an early morning flight on January 22nd, we suggest arriving to the ship anytime between 1:00 pm and 3:30 pm. All guests must be checked in by 3:30 pm for our 4:30 pm departure.

Unless you enjoy standing in line, we strongly advise arriving after 1:30 pm. You won’t miss a thing and you’ll be onboard with a minimum of waiting. Check-in is very fast after the initial rush.

Due to government regulations requiring cruise lines to submit final departure manifests at least 60 minutes prior to sailing, guests are requested to complete Online Check-in no later than 3 days prior to their cruise. If you have not completed Online Check-in, you will be required to complete this process at the pier at least 90 minutes prior to the published sailing time.

Please note that you must be at the pier and checked in no later than 3:30 PM or you may be denied boarding.

*Allure of the Seas* sails at 5:00 pm sharp on January 22nd!

What Do I Need to Check-In?

Since your reservation is electronic, all you need is valid passport and a valid credit card to check-in for this cruise. You will then be issued a SeaPass card, which will serve as your room key and identification card for boarding and re-boarding the ship!

Alcoholic Beverage Restrictions

Guests are not allowed to bring beer, hard liquor, fortified wines or non-alcoholic beverages onboard for consumption or any other use on boarding day or while in port. Alcoholic beverages seized on boarding day will not be returned.

Guests wishing to bring personal wine and champagne onboard may do so only on boarding day, limited to two (2) 750 ml bottles per stateroom. Additional bottles of wine beyond two (2) bottles that are brought onboard or any alcoholic beverages purchased in ports of call or from Shops On Board will be stored by the ship and delivered to your stateroom on the last day of the sailing.

Security may inspect containers (water bottles, soda bottles, mouthwash, luggage etc.) and will dispose of containers holding alcohol. Guests who violate any alcohol policies, may be disembarked or not allowed to board, at their own expense, in accordance with the Royal Caribbean Guest Conduct Policy.

Lost Luggage Assistance

If your luggage does not arrive with you, please do all of the following:

1. Get a complete report from the airline, including a receipt and tracking number for your luggage. Make sure that you tell the airline that you are boarding *Allure of the Seas*.
2. Upon arrival on the ship, go immediately to the main reception where they will make a copy of your lost baggage report. The ship will attempt to track your luggage and follow up directly with the airlines.
3. Be patient. Depending on the airline it might arrive prior to sailing. Our port agents, in concert with the ship, will attempt to deliver any lost luggage directly to your room. If your luggage does not arrive, they will keep you informed with the latest news from your airline.

Please understand that neither RCI nor Atlantis has lost your luggage. We can only assist you in recovering your luggage from the airline and in communicating with them. Ultimately, the airline is responsible to you for any loss or inconvenience you encounter.

However, in our experience most bags turn up in the first 48 hours.
Atlantis Cruise Essentials

Atlantis Daily Program

The Atlantis version of the Allure daily program, called Cruise Compass will be delivered to your stateroom each night with a complete schedule for the following day. All activities, shows, and function times are described here. Since this is our primary method of communicating with you, please read it daily. Changes and/or updates from our original schedule are common during a cruise.

You can also find a copy of the days’ schedule on your stateroom TV and on the Wayfinder boards around the ship.

And if you don’t feel like reading, take 5 minutes each morning to watch Malcolm’s daily TV broadcast for a more entertaining look at the upcoming day’s events. You can find this on your stateroom television.

Team & Information Desk

Our office and volunteer Team Atlantis staff will be on hand throughout to host and assist with every aspect of your vacation. Please don’t hesitate to ask any of us if you have a question or require assistance. We are available 24 hours a day, and always wear Atlantis name badges.

We also offer a general information desk located adjacent to Guest Relations on Deck 5. Hours vary and are posted in Cruise Compass.

Atlantis staff can also be reached through Guest Relations at any time.

During the last few days of your cruise, we will offer a chance to reserve a future Atlantis vacation with a special onboard booking discount. Details will be delivered to your stateroom and booking times will be listed in Cruise Compass.

No Solicitation Policy

Atlantis does not allow our guests to solicit other guests for any service or business while onboard our cruises. Please respect our other guests’ right to enjoy themselves in an advertising-free environment.

Any guest that violates this policy by distributing materials, voice mails, or other sales communications to our guests will be subject to a $2500 fine applied directly to their onboard account. Thank you for your understanding.

Atlantis Roommate Share Program

If you are participating in our roommate share program, you have been assigned a roommate based on smoking preferences. Your roommate’s name may appear on your confirmation, but is subject to change. This program is offered as a convenience and service for our single travelers, and as such no roommate changes are permitted for any reason whatsoever.

We will email you prior to embarkation with advice on how best to enjoy your cruise together.
Atlantis Cruise Highlights

A Festival of Entertainment

Sailing on Allure of the Seas with Atlantis is unlike any cruise experience we’ve ever created, with more thrilling shows and literally something for absolutely every taste. From Broadway stars to drag queens, disco to EDM, salsa bands to acrobatic troupes, piano bars to gay comics, you’ll find more entertainment on Allure than ever before.

New for 2017!

We’ve added some brand new signature events in 2017 as we expand our entertainment horizons. Here are the highlights:

- Massive Electronic Music Concert starring Gareth Emery
- Our own Gay Acrobatic show called Air-Otic
- Dance music superstar live concert in Studio B
- New party music formats including Y2K+ (music from 2000 forward)
- Naked Boys Singing
- Atlantis Comedy Club with 5 top gay comics
- Social Hubs to connect friends old and new

And that’s just the beginning. On the following pages you’ll see a preview, but there’s so much more to discover onboard!

A Few Tips

You can’t do it all, and we know that. Pick the events that you love the most, and try a few new things. And leave yourself some time to relax and simply wander around this incredible ship.

Make a few reservations for our shows, but don’t plan everything. You can always change your mind, and we hold plenty of space at every show for last-minute walk-ins. But the reservation give you a guide and guaranteed access to the shows you want to see. And almost all our shows repeat during the week.

Our dance parties and the outdoor concert are massive and can hold absolutely everybody that wants to enjoy them!

Finding Friends

One of the most challenging things about a big ship is finding your friends, both old and new. It’s easier than you think with a few simple plans. Set a few regular meeting points, maybe around the pool or promenade at the same time every day. Plan your shows together with reservations. Plan to meet before meals. And, remember with VOOM internet you can even text each other while at sea! Essentially all you need is a regular-ish routine and finding friends is easy.

Shows on Allure

How it Works

Atlantis and Royal Caribbean are presenting more productions, acts, and cabaret shows this week than ever before. We’re literally tripling the number of performances that they have on a “standard” cruise! That said, it’s a little different than other Atlantis cruises and requires a bit of planning. Here’s how it all works.

Instead of one single theater space, we now have three. On any given night you might see a show in the Amber Theater, Aqua Theater, or Studio B.

We repeat all our performances enough to accommodate most everybody. While it’s possible to see every performance offered during the week, we’ve designed more shows than nights and more entertainment to cover more tastes than ever before.

We recommend planning your week with your friends prior to making any show reservations. It’s much easier to do it all at once than make a lot of changes during the cruise.

Show Reservations and Tickets

In order to control our capacities and help you plan your cruise, the main venues will use electronic ticketing for most performances. All shows are, of course, free. There is no physical ticket -- your SeaPass card serves as your electronic entry and is scanned at our doors. You’ll have a guaranteed space up until 10 minutes prior to showtime. Making a reservation is easy and can be done in one of the following three ways:

- **Online until January 19.** You may reserve tickets online at RCCL.com for all performances until 11 pm, EST on January 19. You may also cancel and/or change reservations using this system.
- **On your stateroom TV.** Once onboard, the interactive system in your stateroom will let you book show tickets as well as review and revise your original choices.
- **At the Box Office.** We’ll set up several “box office” stations throughout the ship where you can book and modify show reservations. This is the best place to make reservations for large groups. Locations and hours vary daily and will be listed in the Cruise Compass.

We are currently putting about 80% of the available inventory for every show online, so if you’re not able to get exactly what you want, there will be plenty of space for walk-in guests.

Guests in Suite Class do not have to make reservations and have reserved seats at all performances up until 15 minutes prior to showtime.

Movies and Video Entertainment  
Atlantis and Royal Caribbean have tailored some in-room entertainment specifically for Atlantis. You’ll find a variety of first run movies, gay movies, and a few classics.
Atlantis Parties & DJs

The DJs

We're thrilled to have six fantastic DJs onboard Allure:

Abel  Miami
Pagano  London
Wayne G.  London
Ralphi Rosario  Chicago
Kidd Madonney  Miami

And superstar DJ Gareth Emery for a solo concert night!

Each has their own unique style and has been selected for their particular sound. The goal is to offer you a wide range of musical styles and variety.

The Venues

There's a lot to choose from each night as we create several distinct environments for your entertainment. We'll split up the ship in a variety of ways, both musically and thematically. Take a look around and try something new!

Solarium will be our main outdoor party space, with a massive capacity for everybody that wants to dance. We'll be open four nights, with themes on 3 of them. It's a truly spectacular space, with dancing on two levels, incredible video effects, and the wildest light and laser show you've ever seen.

Aqua Theater will be our home for the afternoon T-dance, EDM concert, and our Atlantis Classics party, with the party extending right up to the Boardwalk! We've removed the seats for our parties to increase the capacity from past years and it will be sensational! Please note that T-dances must close at 6 pm to prepare for our evening shows.

Studio B will be open five nights as an alternative indoor venue, holding approximately 1800 guests. Musically we'll be a little more progressive than you've seen on an Atlantis cruise, with nights dedicated to a slightly more European sound (tribal, progressive, and trance) along with more traditional “after-hours” music.

Blaze has to be the coolest dance club ever built on a cruise ship, with an intimate dance floor and lots of terrific lounge space. We'll use this as our primary “after-hours” venue when Solarium closes.

The Promenade will host our first night’s dance party and can literally hold everyone!

The Cave @ Fuel is a dedicated space for our “bears”, leather crowd, and friends. It's open every nights from 10 pm until late.

Dining Notes

All dining times are approximate, and may change slightly according to our port times and onboard events.

Team Atlantis will be on hand at the main restaurant to seat you, answer questions, and host tables. We always encourage you to join our other guests for meals. It’s the best way to meet people! Both Atlantis and Royal will do our best to honor special seating requests. Note that we seat one deck at a time.

Please be patient during peak hours as there may be a slight wait in the main restaurants. We recommend dining before 8:00 pm or after 9:00 pm to avoid waiting in line. The best way to avoid waiting in line is to either dine before the first show or immediately afterwards, and we will always keep the main restaurant open at least 15 minutes after the early main show ends.

What’s Included?

Most meals and restaurants are included. The exceptions are specialty restaurants listed below. Coffee, tea, and most juices are also included. Specialty coffees, alcoholic beverages, soft drinks, bottled water are available at our bars and restaurants for an additional charge.

We suggest taking advantage of dining in a variety of venues and enjoying your meal times with friends old and new. It’s the easiest and best way to connect!

Specialty Restaurant & Reservations

Allure offers several distinctive and original dining experiences. There are three terrific restaurants on Central Park: Chops is an authentic steak house, with an open kitchen and warm clubby decor, Giovanni’s Table features superb Italian food in a relaxed trattoria setting, and the jewel box 150 Central Park offers delicious farm-to-table food from celebrity chef Michael Schwartz. For a real taste of Brazil, head to Samba Grill, our original churrascaria. Sabor on the Boardwalk is sure to be a hit with a fantastic margarita menu and modern Mexican specialties. Izumi offers sushi and teppanyaki in an inviting setting.

Reservations are strongly encouraged, and may only be made for same day dining. In fairness to all our guests, reservations must be made in person, and only one reservation per stateroom will be accepted daily. These restaurants are not equipped to handle parties larger than eight guests (and only a few tables are this size). Please respect these policies so that the maximum number of our guests may enjoy these unique dining experiences.

Suite Class guests may reserve in advance for up to three total visits per room during the cruise through the Concierge.

Finally, please respect that we have limited space in these restaurants and a lot of guests want to enjoy them. If your plans change, please cancel your booking in a timely manner so that we can accommodate another guest. Also, please respect your original request in terms of table size (don’t show up with 8 guests when you book for 4!). Thank you.

Tank tops and gym-like shorts are not permitted in these premium restaurants and we ask that you please respect this simple dress code.

An extra charge for dining applies in each venue, including gratuity.

Singles Dining

Traveling solo doesn’t mean you have to eat alone. Whenever you enter our restaurants, our Team Atlantis will graciously seat you with our other guests. Also, we’re creating two special singles dinners, along with a designated meeting place for single guests to gather for drinks before dinner. See Cruise Compass for specific times and locations.

Special Diets

We ask that you submit any special dietary requests including allergies in writing directly to Royal Caribbean at least one week prior to sailing. Once onboard, please speak with the Maitre D’ of the restaurant regarding any special requests.

Please note that since this cruise is “open seating,” it is your responsibility to notify the server and/or Maitre D’ of any special requests you have made every time you dine.

Vegetarian options are available at each meal and need no special notification.

Room Service

Room service is available 24 hours a day. See the menu in your stateroom for a complete selection and ordering instructions, and note that some specialty selections and delivery times have an extra charge. Please recognize that the staff handling room service has limited capabilities. If you’re looking for a quick snack, we highly recommend Cafe Promenade, open 24 hours a day.

Optional Beverage Packages

Royal Caribbean will offer several non-alcoholic beverage packages on our charter, along with wine packages. These packages can be booked in advance when you pre-register on-line.

Beverage packages may also be purchased onboard at the designated tables on embarkation day or at any of the non-satellite bars at any time over the course of your cruise.

Please note that unlimited alcohol packages are not offered on charter sailings.
Onboard Allure of the Seas

Personal Funds & Shipboard Charges

The currency onboard is U.S. dollars. Royal Caribbean ships operate on a cashless system. You can validate your Royal Caribbean SeaPass card with your Visa, MasterCard, Novus, or American Express card, or sign for payment by cash or traveller’s check. Guests can then sign all onboard services and purchases to their account. At the end of the cruise, you will receive a completely itemized statement.

For your convenience, the ship has an onboard ATM machine that dispenses U.S. currency. Bank debit cards on the PLUS and CIRRUS networks are accepted along with the following credit cards: American Express, Discover/Novus, MasterCard and VISA. Fees will be charged per transaction.

Room Features

The rooms on the Allure of the Seas are truly state-of-the art, with a few features not found on other ships. The ship has both 110 (US standard) and 220 (European) voltage power outlets in the rooms. All the water onboard is filtered and potable.

Each stateroom is equipped with a hair dryer. and also has a dock for your iPod or iPhone, with built-in speakers and an alarm clock.

The interactive TV system offers a wide range of on-demand movies, as well as Atlantis programming and popular satellite channels. In addition, you can review your account, order room service, reserve show tickets and excursions, and plan out your cruise. We recommend familiarizing yourself with this system when you embark as it can save hours of standing in line!

Laundry & Dry Cleaning Services

Laundry, dry cleaning, spot removal and pressing services are available for an additional fee. Laundry bags and service request forms are in your room. Ask your cabin steward for details.

There are no irons in staterooms as they constitute a fire hazard. There are also no self-service laundry facilities onboard.

Guest Conduct Policy

Please remember that all our guests are bound by Royal Caribbean’s Guest Conduct Policy. The policy is intended to help ensure that all guests are able to participate in a safe and enjoyable cruise experience and sets forth standards of conduct for guests to follow throughout their vacation. Please take a minute to read this policy on the Royal Caribbean website:

Gratuities and Tipping

All standard gratuities have been prepaid for this week, so there is no tipping required or expected at any time. All cabin stewards, waiters, and other personnel have been compensated at levels that are customary for a charter of this size. No additional tipping to these service personnel is needed but may be extended at your discretion if the service is exceptional.

A 15% mandatory gratuity is automatically added to bar purchases and spa services.

Smoking Policy

For the comfort of all of our guests, designated smoking and non-smoking areas are available throughout the vessel. All dining areas are non-smoking. All showrooms are non-smoking. Smoking is permitted only in certain lounge areas and on open decks. As a courtesy to our guests, ship personnel will thoroughly enforce the smoking policy.

Additionally, Studio B and Blaze will be designated as non-smoking lounges during all nighttime party events. No smoking is allowed in the Solarium at any time as well.

Please note that Atlantis and/or RCCL reserves the right to change the smoking policy at any time depending on guest requirements. A complete detail of the smoking areas onboard can be found in your stateroom upon embarkation in the Cruise Compass.
Suite Class Amenities

All guests in a Grand Suite or higher category will be entitled to several unique and valuable VIP services on Allure. Full details will be provided upon embarkation, but here are a few of the highlights:

- **Suite Lounge Access.** You’ll have exclusive access to the fabulous concierge lounge on deck 11, with the best view of the boardwalk for breakfast, lunch, and evening cocktails. Our trained concierges will assist you with virtually all of your reservation needs, including restaurants and shows.

- **Coastal Kitchen Private Dining.** Enjoy the best view on the ship accompanied by a fresh Mediterranean menu for breakfast, lunch, and dinner. This exclusive restaurant is only available to our suite guests.

- **Priority Seating for Main Shows.** There’s no need to reserve show tickets, just show your gold card up to 10 minutes prior to showtime and you’ll walk right in! Also, we hold limited priority seating for our suite guests up until 15 minutes before the show starts.

- **Advance Specialty Restaurant Reservations.** Each suite room is allowed to make up to 3 advance bookings for this cruise at our specialty restaurants. See the Concierge for assistance.

For complete details about the suite services onboard Allure, see the Royal Caribbean website at the following link: royalcaribbean.com/royalsuiteclass

If You Have a Problem or Question

Both the Guest Relations Desk and the Atlantis Information Desk can handle most any difficulty you may encounter. Generally, issues relating to your stateroom, the ship, schedules, or billing should be directed to the Guest Relations Desk. Questions regarding entertainment, service, Atlantis policies, special requests, or anything else should be directed to the Atlantis Desk. Questions about excursions should go directly to the Shore Excursions Desk.

If the Atlantis Desk is unattended, please feel free to ask any Team Atlantis member and we will happily assist you.

Spa Services

Allure features an exceptional full-service spa, offering a fantastic range of services including massage, facial, aromatherapy, hairstyling, and much more. Appointments for these services should be made early in your cruise, as many of the services book up early. All spa services are an additional charge which can be signed to your stateroom.

You can book spa appointments for all our port days online now. Spa appointments for our sea days will be available on Sunday afternoon, immediately following the boat drill, in order to be fair to all our guests. The spa will be open earlier that day for tours and same-day appointments.

Medical Services

Should you require medical attention while on board, an infirmary staff is available to assist you 24 hours a day. A doctor is available to render services at a customary charge. The infirmary is capable of providing treatment for minor matters which may arise during your cruise and are capable of assessing and stabilizing most medical emergencies. Should you require treatment for a serious condition which requires hospitalization, then arrangements may be made to transfer you to a medical facility ashore. While at sea, the ability to transfer you to a shore side facility may be limited or delayed by weather or logistical considerations. If you are currently suffering from a serious medical condition, please consult with your personal physician prior to sailing. Royal Caribbean’s doctors are independent contractors.

Important Health Notice -- Please Read!

If you should come down with a contagious disease, or even suspect a contagious disease, it’s compulsory that you report it to the ship’s infirmary for the safety of everyone on board. Should you be on any medication, or want the medical staff to be aware of any special needs, please contact the infirmary. This will ensure that they will be prepared should you need assistance.

In rare instances, the ship’s medical staff may determine that your medical condition will require you to be quarantined in your stateroom to protect the health of our other guests. While both RCCL and Atlantis will make every effort to make you comfortable in such a situation, we are unable to compensate lost vacation time due to quarantine.

Please note that the ship follows C.D.C. guidelines on all quarantine issues, and there is little flexibility in applying the rules, particularly where gastrointestinal symptoms are present.

As always, we highly recommend travel insurance to assist with unforeseen costs and reimbursement for missed vacation time due to illness of any type. If you do not have travel insurance, it can be purchased virtually right up to departure time.

After Your Cruise

Arrival into Ft. Lauderdale

Upon arriving into Ft. Lauderdale after your cruise, we will begin disembarkation around 7 am. This procedure generally takes two hours. If you have a flight earlier than 10 am, please notify Royal Caribbean onboard and we’ll do our best to prioritize your departure.

After leaving the vessel you may claim your luggage on the pier. Baggage lost or damaged must be reported to Royal Caribbean prior to leaving the baggage claim area.

Airport Transfers to FLL or MIA

Royal Caribbean will offer group transfers to both the Ft. Lauderdale and Miami airports onboard during your cruise. Rates and information will be sent to your stateroom during the cruise, or inquire at the Guest Relations Desk.

If you are going directly to the airport upon arrival into Ft. Lauderdale, we strongly recommend purchasing the Royal Caribbean transfers. Taxis are available, but the bus is a lot easier and faster...

Keeping In Touch

Before Sailing

Satellite Telephone Access

You can make ship-to-shore calls from your stateroom, 24 hours a day. The cost is $7.95 per minute and will automatically be charged to your SeaPass account.

Friends and family can reach you 24 hours a day via Royal Caribbean’s Satellite Service. Have them call 888-724-SHIP (7447) from the USA. The cost is $7.95 per minute and can be billed to their American Express, MasterCard, or Discover cards. (From outside the U.S.A., additional long distance charges will apply).

Internet Access – VOOM!

Allure of the Seas, offers the fastest ship-wide internet access at sea for an additional fee. Every stateroom has wireless access, as do most public areas throughout the ship. Connection fees apply with a range of packages available either in advance or onboard. VOOM is amazing, and you won’t know you’re even at sea!

Cell Phone Access Onboard

Allure is specially equipped to allow your GSM phone to work onboard. Please note that roaming charges apply, and will be billed directly by your home carrier. Rates vary by carrier, but are considerably cheaper than using the satellite phones. Check with your carrier prior to sailing for specific rates.

This access only works while at sea. When in port, the local land operator’s roaming charges will apply. Again, check with your operator to see what roaming options exist.
