Itinerary Notes

Please note that all arrival and departure times are approximate and may change without notice. Also, the times listed here are slightly different than what was originally published on the Atlantis web site. The times above are correct.

Itinerary Changes

Atlantis and NCL (Norwegian Cruise Line) have carefully planned this itinerary for maximum enjoyment in all our ports and onboard your ship. Although we do our best to adhere to published ports and times, unforeseen weather and/or sea conditions may force us to alter the itinerary during your cruise.

In the unlikely event of an itinerary change while sailing, we will communicate our new plan both through ship wide (outside of cabin) announcements and through an updated *Freestyle Daily* (NCL's daily onboard newsletter). Neither Atlantis nor NCL shall be held liable for any damages resulting from any itinerary change according to your Passenger Cruise Contract.

Do This Right Now

Review Your Passport and Visa Documents

A valid passport (with three months validity beyond your departure date) is required for all guests. Visas are not required for citizens of the US and Canada. Visa requirements for all other nationalities vary and should be checked with the embassy or consulate of each country on this itinerary.

Please note that it is your responsibility to have the necessary documentation before boarding the ship. Failure to provide proper and valid documentation will result in denied boarding, and no refund will be provided.

Register Online To Download Your Travel Documents

This year, it's more important than ever to check-in online early. The safety drill that normally happens on the first day is now a "virtual event" that you complete during the check-in process and all guests must have completed it prior to embarkation.

Additionally, the terminal in Athens is very small and we are required to control the flow with assigned arrival times. You'll also receive these at check-in.

So, please take a time now to register online with NCL. It only takes a few minutes and you can start at the following link: <https://www.ncl.com/>

Click on the "Manage" tab on the upper right part of the page and then select "check-in". You'll have to create an account with NCL if you don't already have one.

Once you complete the online registration, you should print your Cruise Documents and hang onto them to bring to the pier on the 15th.

Before you start registration, please note the following in the "Explore" and "Plan" section of registration are either incorrect or are different for a charter sailing:

- Non-alcoholic beverage packages are available. Alcohol packages are not offered on charter sailings.
- We've created some amazing excursions just for you. See below for details.
- Spa appointments are available for the entire cruise.
- Ignore the entertainment section! Obviously, we'll have a lot more for you.

You will need the following information to register:

Ship: Norwegian Jade Sailing: August 15, 2021

Your NCL Reservation # sent by email

Please note that your NCL Booking Number is not the same as your Atlantis Confirmation Number. Also, you must enter your name and Booking Number

exactly as shown on the previous page. If you have any issues registering, it's possible there was an error in the spelling of your name. We can assist with this correction by calling Atlantis at 310-859-8800.

Each room has only one NCL Booking Number assigned. If your roommate or partner didn't receive their own email, it's probably because we only had this one on file for both of you. They will use the same booking number for registration.

Once registered, please print your Boarding Pass and bring it to the pier to save time at security and check in.

Should you encounter any issues registering with NCL, please contact them directly at 866-234-7350 as Atlantis doesn't have control over this system. If you are not able to successfully pre-register, please do not worry, as it will not affect your booking status or ability to board

Review your Flight Plans

This sounds obvious but take a minute right now and make sure that your flights are booked correctly to Athens.

If you are flying out of Athens on August 22, make sure your flight does not depart before noon. Athens International Airport is a 45 minute drive from the port. The Metro can also be taken for a smaller fee, which takes about 85 minutes.

Book Shore Excursions Now

You can pre-book shore excursions in advance on the NCL website (www.ncl.com) until August 12. Upon arrival to the ship, you will receive tickets for your pre-booked excursions in your stateroom.

You may purchase additional shore excursions onboard, subject to availability, at the Shore Excursions Desk. You may also book shore excursions through your TV set using the interactive system in your room.

Atlantis has worked closely with NCL to enhance and develop excursions that will be fun and exciting for our group. Many of the excursions are "exclusive" to Atlantis guests, although in some cases the tours may be mixed with guests from other cruise ships. If you are in doubt, please inquire with Shore Excursions before booking.

Before You Depart

Packing Advice

Atlantis emphasizes a casual, comfortable atmosphere with no specified dress code. Sportswear and casual attire are appropriate at all times. There are no formal nights, and absolutely no need for a jacket and tie.

The only real rule is that no tank tops or gym-type shorts are permitted in the specialty restaurants. This is a premium experience and we want to maintain a quality ambiance for all our guests. Thank you for your understanding and cooperation on this one.

The weather throughout should be hot with highs in the around 95 and lows in the upper 70's. Plan for a little heat on this cruise in terms of weather.

Our ports are islands with no specific dress requirements. Some tours involve long bus rides and/or considerable walking so comfort is essential.

Please note that masks will be required at all times when inside the ship, excluding when eating or drinking. They will also be required when social distancing of 6 feet is not possible outside. An exclusion to this rule is when you are in the pool. Thank you for understanding, and think of it as the perfect accessory to any outfit!

Party Themes

Our theme parties are legendary and dressing up is part of the show, but is of course always optional. You'll be comfortable with or without an outfit. This cruise presents a few challenges since we will be in very different climates throughout and most of you don't want to drag a lot of costumes around the planet. With that in mind, we're keeping things really simple but fabulous!

Due to Covid protocols, and to make sure we have fun safely, all T-Dances and nighttime parties will take place outdoors on the Sapphire Pool Deck. Masks are required when social distancing is not possible.

- **Dog Tag T-Dance** - Atlantis' signature T-dance sails the Med where men in (small) uniforms are the fashion. Be inspired by military fashion, the Hellenic Navy, or any creative take you wish. Just please leave the toy weapons at home. It's a party, not a battle! We'll provide dog tags, you do the rest
- **Mykonos Sunset T-Dance** - We're bringing the spirit of the world's most famous beaches to the high seas for an afternoon of euro-chic fun. Dress for the beach in bright swimwear, fashionable accessories, and of course sunglasses.
- **Classic Disco T-Dance** - Disco lives on as we take you back to the glory days of the 70s for an afternoon of pure musical magic on the dance floor. Artificial fabrics, excess facial hair, oversized shoes, and obnoxious accessories welcome!

- **Empire** - The original empire started right here! So tonight, we'll bring it all together with a party celebrating the warriors, kings, peasants, and mythical beings that started it all. From Greek rulers to Roman Centurions to Greek gods to religious zealots to scantily clad peasants, it's history as a costume parade. Instead of clashing, the only territory we fight over is the dance floor!
- **Olympians** - It's that time of the century again, and long before Tokyo the modern games began here in Olympia Greece! It's all about the champions, contenders, coaches, & cheats. Pick your favorite sport or do what the Olympics do and create a random new one. Or come as one of the many spectators that won't be seen in the stands this year.
- **Olympus White Party** - Greek Gods of all flavors and styles descend from their heavenly mountain clad in one simple color. Be one, worship one, or just join the flock in whatever style suits you.

Currency Advice

The entire ship operates on U.S. dollars on-board. U.S. dollars are widely accepted in all ports. Current exchange rates (as of August 3) are:

Euro (EUR) \$1 USD = EUR 0.84

We recommend using your ATM card to get the best rate of exchange for cash, just be wary of bank fees. There are plenty of ATM machines throughout our ports. You'll get the best exchange using credit cards for large purchases.

And always select the "Local currency" option when making purchases to avoid transactions fees.

Baggage Essentials

Most airlines, especially non-US airlines, limit checked bags and carry-on luggage. Check with your carrier for specific allowances. The standard limit is 50 pounds (23 kilos) per piece. Excess or overweight bags may incur a substantial surcharge, so please plan accordingly.

There are no weight limits or bag fees for the cruise itself.

Passenger Locator Form

As part of current COVID protocol, everyone travelling into Greece must fill out a Passenger Locator Form (PLF) prior to boarding their flight. Upon completing this form, you will be issued a QR Code. Failure to present this QR Code will result in denial of boarding for your flight. Only one form is required per family. More details on filling out can be found using the following link:

<https://travel.gov.gr/#/>

Embarkation Day!

Getting to The Port

Norwegian Jade will depart from the Port of Piraeus located in the southwest part of Athens. The address is 10 Akti Miaouli Street, Piraeus. As one of the most recognized ports anywhere, you shouldn't have any problem sharing your destination with your taxi driver or Metro agent.

Taxis in Athens are readily available and are an easy and reliable way to get to the pier. Additionally, Athens hosts a Metro system that makes travel a breeze, whether you're heading straight to the ship or stopping in the city beforehand.

We have found that in Athens, Uber and Lyft are often unreliable and/or costly, and as such don't recommend them.

Important Check-In Time Information

Embarkation begins around 12:30 pm, and we'll start check-in around noon. Check-in moves very, very quickly here if you're pre-registered with NCL.

With that in mind, we strongly recommend that you show up at your scheduled check-in time (received when checking in online). Due to COVID, terminal capacity is limited, and anyone arriving ahead of their check-in time will be asked to wait outside. So, please follow these highly suggested arrival times:

Suites & Haven Guests	12 pm onwards
Mini Suite Guests	12:30 pm
Balcony Categories B1 - BA	1:00 pm
Balcony Categories BB-BX	1:30 pm
Oceanview Rooms	2:00 pm
Interior Rooms	2:30 pm

Although we are sailing late at 11 pm, we ask that all guests check in by 4 pm. If you need to check in late, please notify us in advance and we'll advise you on how to proceed.

Jade sails at 11 pm sharp on August 15!

What Do I Need to Check-In?

Since your reservation is electronic, all you need is a valid passport and a valid credit card to check-in for this cruise. You will then be issued a stateroom card, which will serve as your room key and identification card for boarding and reboarding the ship!

Alcoholic Beverage and Other Restrictions

No beer or hard liquor may be brought onboard for consumption. If you wish to bring personal wine onboard with you at the beginning of the cruise, you may do so, limited to two (2) bottles per stateroom. When enjoyed in any shipboard restaurant, bar or dining venue, each bottle shall be subject to a corkage fee.

NCL reserves the right to limit or refuse alcoholic beverages to be brought aboard the ship for consumption during your cruise vacation. Any alcohol placed in checked baggage or carried on will be removed and possibly destroyed. Alcohol purchased onboard or in port will be held in secure storage and delivered to your stateroom on the last night of the cruise.

Prohibited Items

Please do not bring any of the following onboard, and do not place these items in your checked luggage: Irons (including travel irons), alcoholic beverages, knives, firearms, or any other potentially dangerous item.

If your luggage contains any of the above items, your bag will be held at security and will not be delivered to your stateroom. Full details on prohibited items can be found on the Norwegian website.

Lost Luggage Assistance

If your luggage does not arrive with you, please do all of the following:

1. Get a complete report from the airline, including a receipt and tracking number for your luggage. Make sure that you tell the airline that you are boarding *Norwegian Jade*.
2. Upon arrival on the ship, go immediately to guest relations where they will make a copy of your lost baggage report. The ship will attempt to track your luggage and follow up directly with the airlines.
3. Be patient. Depending on the airline it might arrive prior to sailing. Our port agents, in concert with the ship, will attempt to deliver any lost luggage directly to your room. If your luggage does not arrive, they will keep you informed with the latest news from your airline.

Please understand that neither Norwegian nor Atlantis has lost your luggage. We can only assist you in recovering your luggage from the airline and in communicating with them. Ultimately, the airline is responsible to you for any loss or inconvenience you encounter.

However, in our experience most bags turn up in the first 48 hours.

Atlantis Cruise Essentials

Atlantis Daily Program

The Atlantis version of the Jade daily program, called *Freestyle Daily*, will be available each day, with a full list of all activities, shows, and function times throughout the day. Since this is our primary method of communicating with you, please read it daily. Changes and/or updates from our original schedule are common during a cruise.

Due to enhanced COVID protocols, the *Freestyle Daily* not be delivered to staterooms, but rather will be available for download on the NCL App each day. We highly suggest downloading this app before your sailing, to take advantage. Alternatively, a hard copy can be requested at Guest Services on Deck 7.

If you don't feel like reading, take 5 minutes each morning to watch Malcolm's daily TV broadcast for a more entertaining look at the upcoming day's events. You can find this on your stateroom television.

Team & Information Desk

Our office and volunteer Team Atlantis staff will be on hand throughout your trip to host and assist with every aspect of your vacation. Please don't hesitate to ask any of us if you have a question or require assistance. We are available 24 hours a day, and always wear Atlantis name badges.

We also offer a general information desk located adjacent to Guest Services on Deck 7. Hours vary and are posted in *Freestyle Daily*.

Atlantis staff can also be reached through Guest Services at any time.

We're happy to answer any questions you may have about another Atlantis offering, or to help you book another Atlantis vacation while onboard. At any time throughout the week, you can visit our Atlantis Information Desk, where our team is ready to help.

During the last few days of your cruise, we will offer a chance to reserve a future Atlantis vacation with a special onboard booking discount. Details will be delivered to your stateroom and booking times will be listed in *Freestyle Daily*.

No Solicitation Policy

Atlantis does not allow our guests to solicit other guests for any service or business while onboard our cruises. Please respect our other guests' right to enjoy themselves in an advertising-free environment.

Any guest that violates this policy by distributing materials, voice mails, or other sales communications to our guests will be subject to a \$2500 fine applied directly to their onboard account. Thank you for your understanding.

All dining times are approximate, and may change slightly according to our port times and onboard events.

Team Atlantis will be on hand at the main restaurant to seat you, answer questions, and host tables. Both Atlantis and Norwegian will do our best to honor special seating requests. Note that we seat one deck at a time.

Please be patient during peak hours as there may be a slight wait in the main restaurant.

What's Included?

Most meals and restaurants are included. The exceptions are specialty restaurants listed (and indicated) on the previous page. Drip coffee, tea, and most juices are also included. Specialty coffees, alcoholic beverages, soft drinks, bottled water are available at our bars and restaurants for an additional charge.

We suggest taking advantage of dining in a variety of venues and enjoying your meal times with friends old and new. It's the easiest way to connect!

Specialty Restaurant & Reservations

Jade offers several distinctive and original dining experiences, found nowhere else at sea. Le Bistro is an elegant French restaurant, featuring an upscale dining experience with crisp white linens and intimate atmosphere. La Cucina is a vibrant Italian restaurant with classic country dishes in a casual and friendly setting. Teppanyaki is an authentic Japanese Hibachi restaurant with lively shared conversations over chops and grills steak, seafood and chicken. Sushi & Sake Bar is a contemporary sushi bar with traditional Japanese culinary bites. Moderno Churrascaria is an decadent Brazilian steakhouse, with meats carved tableside by authentic Pasadores. Cagney's is an American-style steakhouse. Java Café offers specialty coffees and pastries.

Reservations are strongly encouraged, and may only be made onboard for same and next day dining. See the *Freestyle Daily* for details about where and how to make a booking.

Please note that specialty restaurants are not equipped to handle parties larger than eight guests (and only a few tables are this size). Please respect these policies so that the maximum number of our guests may enjoy these unique dining experiences. Additionally, COVID protocols may limit table sizes.

Finally, please respect that we have limited space in these restaurants and many of our guests want to enjoy them. If your plans change, please cancel your booking in a timely manner so that we can accommodate another guest. Also, please respect your original request in terms of table size (don't show up with 8 guests when you book for 4). Thank you.

Tank tops and gym-like shorts are not permitted in the premium restaurants

and we ask that you please respect this simple dress code.

An extra charge for dining applies in each venue, including gratuity.

Special Diets

We ask that you submit any special dietary requests including allergies in writing directly to NCL prior to sailing. Once onboard, please speak with the Maitre D' of the restaurant regarding any special requests.

Please note that since this cruise is "open seating," it is your responsibility to notify the server and/or Maitre D' of any special requests each time you dine.

Vegetarian options are available at each meal and need no advance notification.

Room Service

Room service is available 24 hours a day. See the menu in your stateroom for a complete selection and ordering instructions, and note that some specialty selections and delivery times have an extra charge. Please recognize that the staff handling room service has limited capabilities. If you're looking for a quick snack, we highly recommend Garden Cafe.

Optional Beverage Packages

Norwegian is offering several non-alcoholic beverage packages on our charter, along with wine packages. These packages can be booked in advance when you pre-register online.

Beverage packages may also be purchased onboard at the designated tables on embarkation day or at any of the non-satellite bars at any time over the course of your cruise.

Please note that unlimited alcohol packages are not offered on charter sailings.

Onboard Norwegian Jade

Personal Funds & Shipboard Charges

The currency onboard is U.S. Dollars. Norwegian ships operate on a cashless system. You can validate your Norwegian Charge Card with your Visa, MasterCard, Diner's Club, or American Express card, or sign for payment by cash or traveler's check. Guests can then sign all onboard services and purchases to their account. At the end of the cruise, you will receive a completely itemized statement.

For your convenience, the ship has an onboard ATM machine that dispenses U.S. currency. Bank debit cards on the PLUS and CIRRUS networks are accepted along with the following credit cards: American Express, Discover/Novus, MasterCard and VISA are accepted. Fees will be charged per transaction.

Room Features

The rooms on the *Jade* are extremely comfortable and modern, with a few features not found on other ships. The ship has both 110 (US standard) and 220 (European) voltage power outlets in the rooms. All the water onboard is filtered and potable. Additional amenities include an interactive TV and 24-hour room service.

Customs & Immigration at Sea

Upon embarkation and at each port of call, customs and immigration officials will inspect our guests and the ship. They must clear it before we are allowed to go ashore. Normally, this occurs without your knowledge or participation. Occasionally, passengers are called for inspection. In these cases, please follow the instructions provided to assure that we are able to disembark in a timely manner in each port.

While we shouldn't have to say this, please don't even think of bringing any type of illegal substance, hazardous material, or other items that are banned by customs or ship security. Any guest found with illegal substances of any kind will be removed from the ship at the next port of call and turned over to local authorities. Guests removed from the ship pursuant to this policy are responsible for their own accommodations and transportation home, at their expense and no refund will be offered for the unused portion of their cruise.

Atlantis and Norwegian both have a zero-tolerance policy for all illegal substances.

Laundry & Dry Cleaning Services

Laundry, dry cleaning, spot removal and pressing services are available for an additional fee. Laundry bags and service request forms are in your room. Ask your cabin steward for details.

There are no irons in staterooms as they constitute a fire hazard. There are also no self-service laundry facilities onboard.

Gratuities and Tipping

All standard gratuities have been prepaid for this week, so there is no tipping required or expected at any time. All cabin stewards, waiters, and other personnel have been compensated at levels that are customary for a charter of this size. No additional tipping to these service personnel is needed but may be extended at your discretion if the service is exceptional.

An 18% mandatory gratuity is automatically added to bar purchases and spa services.

Please note that since you paid Atlantis for gratuities, no "service charge" will be applied to your room accounts. That's an error in the NCL system.

Smoking Policy

For the comfort of all of our guests, all indoor areas on the ship are non-smoking. Smoking is permitted only in certain areas on open decks. As a courtesy to our guests, ship personnel will thoroughly enforce the smoking policy.

Smoking is not allowed on stateroom balconies at any time.

Please note that Atlantis and/or Norwegian reserves the right to change the smoking policy at any time depending on guest requirements. A complete detail of the smoking areas onboard can be found in your stateroom upon embarkation in the *Freestyle Daily*.

If You Have a Problem or Question

Both the Guest Services Desk and the Atlantis Information Desk can handle most difficulties you may encounter. Generally, issues relating to your stateroom, the ship, schedules, or billing should be directed to the Guest Services Desk. Questions regarding entertainment, service, Atlantis policies, special requests, or anything else should be directed to the Atlantis Desk. Questions about excursions should go directly to the Shore Excursions Desk.

If the Atlantis Desk is unattended, please feel free to ask any Team Atlantis member and we will happily assist you.

Spa Services

Jade features an exceptional full-service spa, offering a fantastic range of services including massage, facial, aromatherapy, hairstyling, and much more. Appointments for these services should be made early in your cruise, as many of the services book up early. All spa services are an additional charge which can be signed to your stateroom.

Medical Services

Should you require medical attention while onboard, an infirmiry staff is available to assist you 24 hours a day. A doctor is available to render services at a customary charge. The infirmiry is capable of providing treatment for minor matters which may arise during your cruise and are capable of assessing and stabilizing most medical emergencies. Should you require treatment for a serious condition which requires hospitalization, then arrangements may be made to transfer you to a medical facility ashore. While at sea, the ability to transfer you to a shore side facility may be limited or delayed by weather or logistical considerations. If you are currently suffering from a serious medical condition, please consult with your personal physician prior to sailing. Norwegian's doctors are independent contractors.

Important Health Notice -- Please Read!

If you should come down with a contagious disease, or even suspect a contagious disease, it's compulsory that you report it to the ship's infirmiry for the safety of everyone on board. Should you be on any medication, or want the medical staff to be aware of any special needs, please contact the infirmiry. This will ensure that they will be prepared should you need assistance.

In rare instances, the ship's medical staff may determine that your medical condition will require you to be quarantined in your stateroom to protect the health of our other guests. While both Norwegian and Atlantis will make every effort to make you comfortable in such a situation, we are unable to compensate lost vacation time due to quarantine.

Please note that the ship follows C.D.C. guidelines on all quarantine issues, and there is little flexibility in applying the rules, particularly where gastrointestinal symptoms are present.

As always, we highly recommend travel insurance to assist with unforeseen costs and reimbursement for missed vacation time due to illness of any type. If you do not have travel insurance, it can be purchased virtually right up to departure time.

Athens Before Your Cruise

Getting Around

We always recommend taking advantage of both local taxi services, and the extensive public transit system available in Athens. You'll also quickly find that most of the city's major attractions and sites are within walking distance of each other! The Metro is a major source of convenience: Take Line 1 to end up close to Ancient Agora, or Line 2 to get within walking distance of the Acropolis Museum! Exploring has never been easier.

As they are an unreliable source, and quite costly, we advise you shy away from Uber or Lyft.

Athens After Your Cruise

Arrival into Piraeus (Athens)

Upon arriving into Piraeus (Athens) after your cruise, we will begin disembarkation around 7 am. This procedure generally takes two hours. If you have a flight earlier than Noon, please notify Norwegian onboard and we'll do our best to prioritize your departure.

After leaving the vessel you may claim your luggage on the pier. Baggage lost or damaged must be reported to Norwegian prior to leaving the baggage claim area.

Airport and City Transfers

Both taxi cabs and Metro are available and recommended when travelling into the city or to Athens International Airport. Travel time to the airport in a taxi cab is approximately 45 minutes, and costs of about 45 €, while the Metro takes about 85 minutes and costs 18€ for a one-way ticket.

In some instances, Norwegian Cruise Line will arrange special transfers, both into the city and/or to Athens International Airport, which are available at an additional charge. More information as to whether any transfers will be available can be found once onboard, by asking Guest Services on Deck 7.

Keeping In Touch

Before Sailing

If you need to reach Atlantis prior to your cruise, you may contact us at 310-859-8800.

You can also contact Norwegian Cruises at 866-234-7350.

Satellite Telephone Access

You can make ship-to-shore calls from your stateroom, 24 hours a day. The cost is \$7.95 per minute and will automatically be charged to your account.

Friends and family can reach you 24 hours a day via Norwegian's Satellite Service. Have them call 888-627-4477 from the USA, or 1-732-335-3280 from the rest of the world. The cost is \$7.95 per minute and can be billed to their American Express, MasterCard, or Discover cards. (From outside the U.S.A., additional long distance charges will apply).

Internet Access – Xcelerate Internet

Norwegian Jade has some of the most advanced internet services at sea. Every stateroom has wireless access, as do most public areas throughout the ship. Connection fees apply with a range of packages available.

Finally, we recommend turning all mobile broadband devices to "Airplane Mode" while onboard. They tend to hold onto an IP address that another user could be utilizing.

Norwegian Jade also has it's own Internet Lounge, for those who require it.

Cell Phone Access Onboard

Jade is equipped to allow your mobile phone to work onboard. Please note that roaming charges apply, and will be billed directly by your home carrier. Rates vary by carrier, but can be considerably cheaper than using the satellite phones. Check with your carrier prior to sailing for specific rates.

This access only works while at sea. When in port, the local land operator's roaming charges will apply. Again, check with your operator to see what roaming options exist.
