GETTING READY

Passport and Documentation Requirements

You must have a valid passport to enter Mexico and visas may be required for residents of countries other than the US or Canada. Remember, all documentation is your responsibility and no refund is offered should you not be able to travel due to improper documentation.

What to Wear

Club Atlantis is very informal. Casual resort or sports attire is appropriate all day and night. Everything is outdoors, so you might bring one long-sleeve shirt and/or pants. There are no formal nights, and you may always dress as you please.

All our events are very relaxed and casual, however the themes may inspire a simple outfit or two. Laundry service is available for an additional charge at the resort.

Packing Advice

Bring plenty of sunblock, bug repellent, hand sanitizer, and basic toiletries. Make sure you have a supply of masks for the duration of the vacation. Beach towels are provided. Finally, please do not place any valuables, including your passport, in your checked luggage.

If you are taking any medications, please make sure you bring them in their original containers to avoid delays getting in and out of the country. Mexican authorities have very strict rules and penalties regarding all drugs.

ATLANTIS PARTY THEMES

Atlantis theme parties are legendary and dressing up is part of the show but is of course always optional. You'll be comfortable with or without an outfit. It's hot every day so we keep it simple here, but that still leaves a lot to the imagination.

All parties are outdoors, either at the Taco Arte nightclub or near the beach.

Dog Tag T-Dance - The troops come home for Atlantis' longest-running signature afternoon party. Show your creative strength at our first big outdoor party inspired by the joys of men in (small) uniforms. We'll provide souvenir dog tags, you do the rest.

Tropical Paradise T-Dance - Celebrate the rainbow of color and sun that makes us all love the tropics. Bright swimwear, pareos, and accessories are the way to go with some tropical flair any way you want. It's hot out there so less is more.

Classic Disco T-Dance - Disco lives on as we take you back to the glory days of the late 70s for an afternoon of pure musical magic on the dance floor. Artificial fabrics, excess facial hair, oversized shoes, and other obnoxious accessories welcome!

Washed Up - On the shores of a remote island (like Club Med) you'll find a remarkable collection of shipwrecked pirates, out of place sea creatures, island-hopping natives and so many discarded gems. Just be wary of luxury cruise ship passengers in lifeboats!

Let's Glow - If it lights up, flashes, glows, blinks, or shines, add it to whatever you feel like wearing tonight. Our party is all about accessories and we'll have a few around to brighten things up. Of course you can always come as you are and let your sparkling personality be the star.

May The Fourth Be With You - An intergalactic Pridefest of futuristic explorers, friendly space creatures, misunderstood aliens, and sci-fi buffs who can't get enough. Goofy and geeky. Tourists welcome.

Cinco de Mayo, Blanco - We're turning Mexico's most famous non-holiday into a celebration in dazzling white with an evening of surprises in store for all. Celebrate the joys of harmony in our community by dressing up or down in one simple color that everyone looks good in. Be as creative as your dreams, as sexy as your desires, as irreverent as your laughs, or keep it simple with your favorite white shorts. All are welcome here at an epic party that spans sunset to sunrise.

GETTING THERE

Flight Advice

As you know, you should arrive at least 2 hours prior to departure of any international flight, including flights with connections from the USA. Please plan accordingly.

Transfers to the Resort

If you purchased transfers from Atlantis, you will be met by a Club Med representative outside of the Customs Area across the driveway. They will be holding a Club Med/Atlantis sign and will direct you to the transfer from there. The resort is approximately 15 minutes from the Cancun International Airport.

Please note that all guests who use transfers must pre-pay by calling the Atlantis help line or through their reservation booking system. Any guests who utilize a transfer without payment will be required to submit payment with an Atlantis representative prior to checking-in, possibly at a higher cost than available pre-event.

Checking In at the Resort

Upon arrival, you will be brought through the quick and seamless check-in process by both the Club Med team and Team Atlantis. Please note that all guests who are staying in both the Resort Center and Aguamarina will be checked in at the Resort Center. Guests staying in Aguamarina will then be driven to the Aguamarina building via Club Med shuttle. Guests staying in the Jade suites will be checked in at the Jade building. Please note this is subject to change as dependent on the overall needs of the resort to maximize ease for our guests.

All guests will be required to place a credit card on file via Reception within the first 48 hours of the event. Failure to do so may result in your account being locked until a credit card is provided. A temporary hold will be placed on the card, to be removed at the end of the event if no funds are utilized onsite.

CLUB ATLANTIS BASICS

Your Daily Schedule

Club Med Cancun has requested printed material to be kept to a minimum. Therefore, full schedules are available on video screens around the village as well as on the Club Med app. We suggest you keep a copy of this PDF file on your mobile device. Our host Malcolm will provide the lineup for the upcoming day before our evening shows, and our Team Members are available to answer any questions. For convenience, we suggest you download the Club Med app prior to departure from the Apple App Store, or Android App Store.

Contacting Team Atlantis

Our team is on hand throughout the week to assist with making your vacation experience enjoyable in every way. Our team is usually in the most public areas of the resort, from the pool to mealtimes to the theater. Feel free to ask any of our team members for assistance at any time.

In addition, our "official" information desk will be available in the lobby each day from 11:00 am to 1:00 pm.

The Bar

In addition, La Bodega will offer exclusive chef's table dinner. All dinners will require reservations, and will be on a first-come, first-serve basis. More information may be requested at La Bodega and Reception.

There is an extra charge for wines and dining in La Bodega.

Important - The Best Time to Dine

Since the resort is completely full, we strongly recommend going to the early show (7:30 most nights) and having dinner afterwards! Our shows last approximately 55 minutes so you'll be seated at dinner around 8:30 and won't have to rush.

Seating in the theater is limited to around 475 guests and we have over 850 of you at the resort this week. You're guaranteed to get a seat at the early show, and in our experience the late show is always super-packed. We don't want to turn anyone away....!

How to Make a Dining Reservation

A FEW MORE RESORT ESSENTIALS

Currency Matters

Mexican law requires all transactions (over a certain dollar amount) to be handled in Mexican Pesos, although some establishments may list prices in US dollars as well.

The current exchange rate is about 19.86 pesos to one dollar.

At the resort, telephone and boutique charges can be signed directly to your room. You must open an account with the front desk and settle the account at the end of the week with Visa, MasterCard, American Express, Travelers Checks, or cash. Personal checks are not accepted.

The Weather

The average temperature in Cancun should be around 86° during the day and 78° at night. It's slightly humid during this season so light clothing is highly recommended.

The Water

The water throughout the resort is filtered, purified, and safe to drink. We highly recommend drinking only bottled water outside the resort.
