# Get Ready for Atlantis

## Passport Requirements

You must have a valid passport to enter Mexico and visas may be required for residents of countries other than the US or Canada. Remember, all documentation are your responsibility and no refund is offered should you not be able to travel due to improper documentation.

## What to Wear

Club Atlantis is very informal. Casual resort or sports attire is appropriate all day and night. Everything is outdoors, so you might bring one long-sleeve shirt and/or pants. There are no formal nights, and you may always dress as you please.

All our events are very relaxed and casual, although our party themes may inspire a simple outfit or two. Laundry service is available for an additional charge at the resort.

Our only request is that you show a little good taste and respect for our other guests at dinner time. That means no gym-like tank tops, gym shorts, overly-revealing party outfits, and the like. It's a request, and everyone will appreciate it.

## Packing Advice

Bring plenty of sunblock, bug repellent, and basic toiletries. Beach towels are provided. Finally, please do not place any valuables, including your passport, in your checked luggage.

If you are taking any medications, please make sure you bring them in their original containers to avoid delays getting in and out of the country. Mexican authorities have very strict rules and penalties regarding all drugs.

# Atlantis Party Themes

Atlantis theme parties are legendary and dressing up is part of the show but is of course always optional. You'll be comfortable with or without an outfit. It's hot every day so we keep it simple here, but that still leaves a lot to the imagination.

All parties are outdoors, either at the Taco Arte nightclub or near the beach.

**Dog Tag T-Dance** - The troops come home for the 35th anniversary of Atlantis' longest-running afternoon party. Show your creative strength at our first big outdoor party inspired by the joys of men in (small) uniforms. We'll provide souvenir dog tags and colored dots. You do the rest.

**Tropical Glam** - Island vibes meet high fashion in our dazzling paradise where the lush beauty of the tropics collides with the sparkle of the runway. From animal prints to sequins, palm skirts to shiny accessories, or way over-accessorized pareos, it's time for island simplicity to get a glam-up.

**Bright Future** - Step into our neon-charged wonderland where optimism rules to celebrate everything electric – glowing lights, radiant looks, and your vibrant shining spirit. Think futuristic flair with a tropical twist: LED accessories, holographic fabrics, neon swimwear, and metallic accents that propel us into a future that really shines.

**Rewind: Atlantis Classics** - It's all about the music tonight as we take you back to the origins of Atlantis with 35 years of dance music at our favorite beach resort. Dress for the 80s, 90s, or however you feel today!

**Think Pink T-Dance** - Pink is in! It's everywhere and hotter than ever. From Barbie butch to fluffy fantastic, throw on your favorite interpretation for a hot afternoon of frivolous dolled up fun.

**Summer White** - Breeze into Atlantis' biggest night where one simple color sets the tone for an ocean of possibilities. Sexy or smart, dressed up or down, simple or creative, or all of them together.

**Revival! Classic Disco T-Dance** - Disco lives on as we take you back to the glory days of the 70s with an afternoon of pure musical magic on the dance floor. Artificial fabrics, excess facial hair, oversized shoes, and other obnoxious accessories welcome!!

# Dining Information

## The Best Time to Dine

Since the resort is completely full, we strongly recommend going to the early show (7:30 most nights) and having dinner afterwards! Our shows last approximately 55 minutes so you'll be seated at dinner around 8:30 and won't have to rush.

Seating in the theater is limited to around 475 guests and we have over 850 of you at the resort this week. You're guaranteed to get a seat at the early show, and in our experience the late show is always super-packed. We don't want to turn anyone away!

## Making Dining Reservations

Dinner reservations for same-day and next-day dining at Taco Arte, and Estancia can be made scanning the QR code, and then selecting the restaurant, and time. The code is located around the resort for your convenience, or with the Jade concierge for Jade residents.
