Itinerary Changes

Atlantis and Virgin have carefully planned this itinerary to maximize the enjoyment of all our ports and the ship. Although we do our best to adhere to published ports and times, unforeseen weather and/or sea conditions may force us to alter the itinerary during your cruise.

In the unlikely event of an itinerary change, while sailing, we will communicate our new plan through ship-wide (outside of cabin) announcements and an updated app notice. According to your Passenger Cruise Contract, neither Atlantis nor Virgin shall be held liable for any damages resulting from any itinerary change.

Review Your Boarding Documentation

A valid passport is required for all guests. Your passport should not have an expiration date before December 29th 2025.

Visas are not required for UK, EU, USA, and Canadian citizens. Visa requirements for all other nationalities vary and should be checked with the embassy or consulate of each country visited on this itinerary.

Please note that you must have the necessary documentation before boarding the ship. Failure to provide proper and valid documentation will result in denied boarding, and no refund will be provided.

Register On-line With Virgin Voyages

Please take time now to register online with Virgin using the *Virgin Voyages App*, available for free in the Apple or Android app store. It only takes a few minutes and will ensure you can embark quickly.

If you haven't already received it, you will receive a booking number and confirmation directly from Atlantis Events by email with details on how to register online.

Please note that each room has only one Virgin Booking Number assigned. If your roommate or partner didn't receive their email, please know that they may use the same booking number for registration.

If you have any questions or issues with accessing your booking, please call Virgin directly on +1 954 488 2955. However – and this is very important – if their call center refuses to assist you because “This is a charter sailing” or similar statement, please get the agent's name and call our team on +1 310-859-8800. We've been training their staff but it's not always getting through. (And don't worry, they will not get in trouble – we're just trying to find the pockets where the training is not getting through!)

Review Your Flight Plans

If you're flying into Miami, allow enough time to arrive at the pier by 3:30 pm.

For departure, flights from Miami should not be booked before 11 am.

Book Shore Things

You can book Shore Things and view their details, duration, and prices on the *Virgin Voyages App* by visiting the Discover tab or calling Sailor Services once onboard.

Atlantis has worked closely with Virgin to enhance and develop excursions that will be fun and exciting for our group. Most of the excursions are "exclusive" to Atlantis guests, although the tours may sometimes be mixed with guests from other cruise ships. If you are in doubt, please inquire with Shore Things.

Before You Go

Packing Advice

Atlantis emphasizes a casual, comfortable atmosphere with no specified dress code. Sportswear and casual resort attire are always appropriate. There are no formal nights and no need for a jacket and tie.

We only request that you show good taste and respect for our other sailors at dinner time. That means no gym-like tank tops or gym shorts, super-revealing party outfits, etc. It's a request, and everyone will appreciate it.

Plan for warm, even hot weather with slightly cooler breezes at night. We recommend loose, comfortable cotton and other lightweight clothing. Don't forget a hat!

Except for the above notes, our ports are very relaxed and have no dress codes. We suggest casual resort wear and some comfortable shoes. Daytime at sea is time for swimwear and flip-flops. Bring lots of sunblock.

Currency Advice

The entire ship operates on U.S. Dollars, and all ports accept US currency as payment, either directly or with a credit card. There is no need to exchange money or worry about local currencies.

We recommend using a credit card if possible and always selecting the "local currency" option to avoid transaction fees.

Prohibited Items

Please do not bring any of the following onboard. Do not place these items in your checked luggage: irons (including travel steamers), alcoholic beverages, knives, firearms, power strips, extension cords, or other potentially dangerous items.

If your luggage contains any of the above items, your bag will be held at security and not delivered to your stateroom. Full details on prohibited items can be found on the Virgin Voyages website. <https://www.virginvoyages.com/safety-security/prohibited-items>

Before You Go

Weather Forecast

The weather in the Caribbean is usually very pleasant and warm. High temperatures are usually around 85 °F / 27 °C, and lows are around 70 °F / 20 °C. Rain is always a possibility, but we do our best to avoid it. The wind will make it feel cooler onboard the ship.

Party Themes

Our theme parties are legendary, and dressing up is part of the show but, of course, always optional. All parties will be outdoors on deck except Bright Future, which will be in the magical Red Room! (Subject to weather, of course.)

Dog Tag T-Dance - The troops come home for Atlantis' longest-running signature afternoon party. Show your creative strength at our first big outdoor party inspired by the joys of men in (small) uniforms. We'll provide dog tags; you do the rest.

Tropical Glam - Island vibes meet high fashion in our dazzling paradise where the lush beauty of the tropics collides with the sparkle of the runway.

Bright Future - Step into our neon-charged wonderland where optimism rules to celebrate everything electric – glowing lights, radiant looks, and your vibrant shining spirit. Think futuristic flair with a tropical twist.

Think Pink T-Dance - Pink is in! It's everywhere and hotter than ever. From Barbie butch to fluffy fantastic, throw on your favorite interpretation for a hot afternoon of frivolous, dolled-up fun.

Virgin White - Let your imagination run wild at Atlantis' pinnacle party. Sizzle at the moment, dress up or down in a straightforward color that everyone looks good in. All are welcome here at an epic party heading into dawn and beyond!

Revival! Classic Disco T-Dance - Disco lives on as we take you back to the glory days of the 70s with an afternoon of pure musical magic on the dance floor. Artificial fabrics, excess facial hair, oversized shoes, and other obnoxious accessories are welcome!

Embarkation Day

Getting to The Port of Miami

Valiant Lady will sail from Virgin's fabulous new terminal!

Port Miami

Terminal V

718 N Cruise Blvd

Miami, FL 33132

The port is about 20 minutes from the airport. Taxis and Uber are the best way to get to the port.

Important Check-In Information

Embarkation starts at 1:45 pm, and the pier is NOT open earlier. If you show up before that time, you will be standing in line outside.

When you register with Virgin, you are assigned a designated arrival time. To ensure a great experience for all, we ask that you adhere to your assigned arrival time. Sailors arriving earlier or later than their assigned times will be asked to wait until the guests with the correct appointments have been embarked.

There's plenty of time to check in, and check-in is open until 4 pm. If you have not been able to register yet or receive a check-in time, we ask that you arrive after 2:30 pm.

Thank you in advance for your cooperation and participation in making everyone's check-in smooth and seamless.

What Do I Need to Check-In?

Since your reservation is electronic, you need only a valid Passport to travel and a credit card to check in.

You will then be issued a wearable token, which will serve as your room key and identification card for all things onboard!

If you register correctly through the app, this will only take a minute or two!

Alcoholic Beverages and Other Restrictions

Guests can bring two (2) 750mL bottles of wine per cabin in carry-on bags. No beer or hard liquor may be brought onboard for consumption.

Any alcohol placed in checked baggage or carried on will be removed and held for you until the end of your voyage. Alcohol purchased onboard or in port will be held in secure storage and delivered to your stateroom on the last night of the cruise.

Embarkation Day

Lost Luggage Assistance

If your luggage does not arrive with you, please do all the following:

1. Get a complete report from the airline, including your luggage's original bag receipt and tracking number. Make sure that you tell the airline that you are boarding *Virgin Valiant Lady*.
2. Upon arrival on the ship, go immediately to Sailor Services, where they will make a copy of your lost baggage report. The ship will attempt to track your luggage and follow up directly with the airlines.
3. Be patient. Depending on the airline, it might arrive prior to sailing. Our port agents will attempt to deliver any lost luggage directly to your room in concert with the ship. If your luggage does not arrive, they will keep you informed with the latest news from your airline.

Please understand that neither Virgin Voyages nor Atlantis has lost your luggage. We can only assist you in recovering your luggage from the airline and in communicating with them. Ultimately, the airline is responsible for any loss or inconvenience you encounter. However, in our experience, most bags turn up in the first 48 hours.

The Atlantis Experience

Atlantis Events Program

All events and entertainment schedules are available on the *Virgin Voyages App* and on screens throughout the ship. When you doubt a time/schedule/event, please review the video screens throughout the ship.

Team & Information Desk

Our office and Team Atlantis staff will be on hand throughout your trip to host and assist with every aspect of your vacation. Please don't hesitate to ask any of us if you have a question or require assistance. We are available 24 hours a day and always wear Atlantis name badges.

We also offer a general information desk on Deck 5, adjacent to Sailor Services. Hours vary and are posted at the desk and in the daily schedule.

Atlantis staff can also be reached through Sailor Services at any time.

When you come to any restaurant, Virgin and Atlantis staff will offer you the opportunity to join our other guests and share a meal. We encourage joining as it's the best way to meet people, but you're always welcome to dine on your own.

Please be patient during peak hours as there may be a slight wait. We do highly recommend watching the first (7:30 pm) show and dining comfortably around 8:30 pm afterward.

There is no "main" restaurant and no buffet on Virgin! There are also no extra charges for dining in any of the restaurants, although a few luxury upgrades have an additional charge.

Finally, if you're a solo traveler don't fear! We have you covered in every venue, every night. Just see one of our hosts and they will seat you with new friends. Don't just head to the Galley -- come join the fun at one of our fabulous restaurants!

Dining Information

Special Diets

All dietary restrictions and allergies should be communicated directly to Virgin in advance of our sailing and can also be input in the *Virgin Voyages App*. As an abundance of caution, we also ask that you communicate any special dietary requests, including allergies, to the Maitre D at the entrance to any of our restaurants.

Vegetarian and vegan options are available everywhere -- especially in Razzle Dazzle - and need no advance notification.

Ship Eats

Virgin's Ship Eats (Room Service) is available 24 hours daily. See the menu on the app for a complete selection and ordering instructions.

Please recognize that the staff handling room service has limited capabilities. If you're looking for a quick snack, we highly recommend The Galley, which is open almost always.

Beverage Packages & Bar Tab

Virgin does not offer beverage packages, but you can purchase a pre-paid "bar tab" before sailing via the *Virgin Voyages App* that gives you credit beyond the cost of your payment.

This Bar Tab option is a fabulous deal; we highly recommend it before you set sail! Bar Tabs will not be available onboard.

If you buy a \$300 Bar Tab, you get \$350 in credit! It's a great deal!

Sustainability Notes

Virgin operates in an environment with no single-use plastics. Water is readily available throughout the ship at complimentary filter stations. If you have a favorite vessel for water, you might want to bring it along or buy a smart Virgin one onboard.

Onboard *Valiant Lady*

Personal Funds & Shipboard Charges

The currency onboard is U.S. Dollars. Virgin operates on a cashless system. You can validate your Virgin wearable with your Visa, MasterCard, Diner's Club, or American Express card or settle your account by cash. Guests can then sign all onboard services and purchases to their account. At the end of the cruise, you will receive a wholly itemized statement by email or in the App.

For your convenience, the ship has an onboard ATM that dispenses U.S. currency. Bank debit cards on the PLUS and CIRRUS networks are accepted along with the following credit cards: American Express, Discover/Novus, MasterCard, and VISA. Fees will be charged per transaction.

Customs & Immigration at Sea

Upon embarkation, customs and immigration officials will inspect our guests and the ship. This usually occurs without your knowledge or participation. Occasionally, passengers are called for inspection. Please follow the instructions in these cases to ensure we can disembark on time at each port.

While we shouldn't have to say this, illegal substances, weapons, hazardous materials, or other restricted items are strictly prohibited. Any guest found with illegal substances will be removed from the ship at the next port of call and turned over to local authorities.

Atlantis and Virgin both have a zero-tolerance policy for all illegal substances.

Sailor Conduct Policy

All our guests are bound by Virgin Voyages' Sailor Conduct Policy. The policy is intended to help ensure all guests can participate in a safe and enjoyable cruise experience. It sets forth standards of conduct for guests to follow throughout their vacation. Please take a minute to read this policy on the Virgin Voyages website:

Onboard *Valiant Lady*

Room Features

The rooms on *Valiant Lady* are incredibly comfortable and modern. The ship has both 110 (US standard) and 220 (European) voltage power outlets in the rooms. All the water onboard is filtered and potable.

Additional amenities include an interactive TV & tablet and 24-hour room service.

The bed configuration on *Virgin* is unique in that your room can be configured both as a standard bedroom or a more lounge-like setting with a comfortable couch or daybed. Your stateroom attendant can change your configuration (and back) easily on demand.

Note that the if the beds are separated, they will be in an “L” formation, not side by side. If you’re in our room-share program, you might want to discuss how to sleep!

Finally, *Virgin* offers one cleaning service each day for your stateroom. Your stateroom attendant will meet with you to set a time to clean the room once you embark. Suites will have two services per day.

Laundry & Dry-Cleaning Services

Laundry, dry cleaning, spot removal, and pressing services are available for an additional fee. Laundry bags and service request forms are in your room. Ask your cabin steward for details.

There are no irons in staterooms as they constitute a fire hazard. There are also no self-service laundry facilities onboard.

Service Charges and Tipping

Virgin Voyages operates on a no-tipping policy, so there is no tipping required or expected at any time. No additional tipping to these service personnel is needed but may be extended at your discretion if the service is exceptional.

Smoking & Vaping Policy

For the comfort of all of our guests, all indoor areas on the ship are non-smoking except the smoking lounge on Deck 6, Forward. Smoking and vaping are permitted only in certain areas on open decks.

As a courtesy to our guests, ship personnel will thoroughly enforce the smoking policy.

Smoking or vaping is not allowed on stateroom balconies at any time.

Please note that Atlantis and/or *Virgin* reserves the right to change the smoking policy at any time depending on guest requirements. A complete detail of the smoking areas onboard can be found on the *Virgin Voyages App*.

Onboard Virgin

If You Have a Problem or Question

Both the Sailor Services and the Atlantis Information Desk can handle most difficulties you may encounter. Generally, issues relating to your stateroom, the ship, schedules, or billing should be directed to Sailor Services. Questions regarding entertainment, service, Atlantis policies, special requests, or anything else should be directed to the Atlantis Desk.

If the Atlantis Desk is unattended, please feel free to ask any Team Atlantis member, and we will happily assist you.

Spa and Fitness Center

Valiant Lady features a stunningly beautiful spa offering a fantastic range of services, including massage, facials, aromatherapy, hair styling, and much more. Take a look on Deck 5 -- you'll be amazed as it doesn't look like anything else at sea!

Appointments for these services should be made early in your cruise, as many of the services book up early. All spa services are an additional charge which can be signed to your stateroom.

Stateroom Safe

All staterooms and suites are equipped with a personal safe. We recommend that you not leave valuables, jewelry, or money unsecured in your stateroom. Although every effort is made to safeguard staterooms, Virgin Voyages Cruises will not accept any responsibility for the loss or damage of any valuables left unsecured.

If you are participating in the roommate share program, please discuss the use of your safe with your roommate. No additional safes can be provided.

Medical Services

If you require medical attention while on board, an infirmary staff can assist you 24 hours a day. A doctor is available to render services at a customary charge. The infirmary can provide treatment for minor matters that may arise during your cruise and can assess and stabilize most medical emergencies. Should you require treatment for a serious condition requiring hospitalization, arrangements may be made to transfer you to a medical facility ashore. While at sea, the ability to transfer you to a shoreside facility may be limited or delayed by weather or logistical considerations. If you are currently suffering from a serious medical condition, please consult your physician before sailing. Virgin's doctors are independent contractors.

Onboard *Valiant Lady*

Internet Access

Valiant Lady offers basic complimentary internet to all guests onboard. Premium (faster) internet upgrades are available onboard for an extra charge.

Cell Phone Access Onboard

Valiant Lady is equipped to allow your mobile phone to work onboard. Please note that roaming charges apply and will be billed directly by your home carrier. Rates vary by carrier but can be considerably cheaper than using satellite phones. Check with your carrier before sailing for specific rates.

We recommend turning all mobile broadband devices to "Airplane Mode" while onboard to avoid any excessive charges.

This access only works while at sea. When in port, the local land operator's roaming charges will apply.

Important Health Notice -- Please Read!

Suppose you should come down with a contagious disease or even suspect an infectious disease. In that case, you must report it to the ship's infirmary for the safety of everyone on board. Should you be on any medication or want the medical staff to be aware of any special needs, please get in touch with the infirmary. This will ensure that they will be prepared should you need assistance.

In rare instances, the ship's medical staff may determine that your medical condition will require you to be quarantined in your stateroom to protect the health of our other guests. While both Virgin and Atlantis will make every effort to make you comfortable in such a situation, we are unable to compensate lost vacation time due to quarantine.

Please note that the ship follows C.D.C. guidelines on all quarantine issues, and there is little flexibility in applying the rules, mainly where gastrointestinal symptoms are present.

As always, we highly recommend travel insurance to assist with unforeseen costs and reimbursement for missed vacation time due to illness. If you do not have travel insurance, it can be purchased virtually right up to departure time. Please note that this includes COVID-related quarantines, and no credit or refund is issued for any lost time. This is why we strongly recommend Travel Insurance!
