Itinerary Changes

Atlantis and Virgin have carefully planned this itinerary for maximum enjoyment of all our ports and the ship. Although we do our best to adhere to published ports and times, unforeseen weather and/or sea conditions may force us to alter the itinerary.

In the unlikely event of an itinerary change while sailing, we will communicate our new plan both through ship wide (outside of cabin) announcements and through an updated app notice. Neither Atlantis nor Virgin shall be held liable for any damages resulting from any itinerary change according to your Passenger Cruise Contract.

Passport & Visa Requirements

A valid passport with the date of expiration no earlier than March 3rd, 2026 is required for all guests. There are no exceptions.

If you hold a passport from the USA, Canada, UK, or the EU, you do not need a special visa to enter Turkey or Egypt on this voyage. Citizens of other countries need to check with their consulate and/or embassy to verify visa requirements for both Turkey and Egypt.

We suggest checking a resource like Sherpa (<https://apply.joinsherpa.com/travel-restrictions>) to review your visa requirements.

Please remember that you must have the proper documentation prior to embarkation. If you do not have the correct visa or valid passport, you will not be allowed to embark, and no refund will be provided.

Register With Virgin Voyages

Please take time now to register online with Virgin using the Virgin Voyages App, available for free in the app store on Apple or Android. It only takes a few minutes and will assure that you can embark in a speedy manner.

If you haven't already received it, you will receive a booking number and confirmation directly from Atlantis Events by email with details on how to register online.

If you haven't received a Virgin booking number, please don't worry -- we can sort it all out at the pier terminal upon arrival.

Please note that each room has only one Virgin Booking Number assigned. If your roommate or partner didn't receive their own email, it's probably because we only had this one on file for both of you. They will use the same booking number for registration.

Should you encounter any issues registering with Virgin, please contact our office at +1 310 859 8800 and we will do our best to assist you. Again, please do not worry, as it will not affect your booking status or ability to board.

Important Note for iOS Users:

Room service (Ship Eats) and the "Shake for Champagne" feature are only available through the previous version of the app (now called the Original Sailor App). If you plan to use either service during your cruise, be sure to download and keep the old app installed on your device.

Get Ready for Atlantis

Customize Your Experience

Once registered with Virgin, you can do several things to customize your experience onboard and off.

A Bar Tab option is available prior to departure, letting you buy a pre-paid bar tab and receive an extra free credit amount by purchasing in advance. See the app for more details.

You can also book Shore Things to explore these incredible ports with some incredible offerings. You'll find details, duration, and prices on the *Virgin Voyages App* by visiting the Discover tab, or by visiting the Shore Things desk onboard.

Atlantis has worked closely with Virgin to enhance and develop excursions that will be fun and exciting for our group.. We highly recommend making a plan before departure to get the most out of your holiday.

Review Your Flight Plans

If you're flying into Athens make sure you allow enough time to arrive at the pier no later than 3 pm.

For departure, flights should not be booked before 11 am from Athens.

Before You Go

Packing Advice

Atlantis emphasizes a casual, comfortable atmosphere with no specified dress code. Sportswear and casual resort attire are always appropriate. There are no formal nights and no need for a jacket and tie.

Our only request is that you show a little good taste and respect for our other sailors at dinner time. That means no gym-like tank tops, gym shorts, super-revealing party outfits, and the like. It's a request, and everyone will appreciate it.

Plan for warm, even hot weather with slightly cooler breezes at night. We recommend loose, comfortable cotton and other lightweight clothing. Don't forget a hat!

Except for the above notes, our ports are very relaxed with no dress codes. We suggest casual resort wear and some comfortable shoes. Daytime at sea is time for swimwear and flip-flops. Bring lots of sunblock.

Currency Advice

The entire ship operates on U.S. Dollars. The current rates of exchange (as of July 25) for our port cities are as follows:

Euro (EUR) 1.18 for \$1 USD

We highly recommend using your ATM card to get the best rate of exchange in cash, just be wary of bank fees. You'll get the best exchange rate by using a credit card for large purchases.

Prohibited Items

Please do not bring any of the following onboard, and do not place these items in your checked luggage: Irons (including travel steamers), alcoholic beverages, knives, firearms, power strips, or any other potentially dangerous items.

If your luggage contains any of the above items, your bag will be held at security and will not be delivered to your stateroom. Full details on prohibited items can be found on the Virgin Voyages website.

Weather Forecast

Summer weather in these ports is hot. You can expect daytime temperatures to be around 90°F / 32°C and lows around 72°F / 22°C.

Before You Go

Our Party Themes

Our theme parties are legendary and dressing up is part of the show, but is of course always optional. All parties will be outdoors on deck except Neon Playground which will be in the magical Red Room! (Subject to weather of course.)

Dog Tag T-Dance - The troops come home for Atlantis' longest running signature afternoon party. Show your creative strength at our first big outdoor party inspired by the joys of men in (small) uniforms. We'll provide dog tags; you do the rest.

UNITE - We're one big global community, with over 60 nations represented onboard Atlantis for this amazing voyage! Tonight show off the colors of your home country – any way that suits you. We'll all unite in the spirit of fun, frolic, and friends.

Empires - Step into the grandeur of ancient worlds for a magical night at sea. Channel the opulence of Greece's gods, the mystique of Egyptian pharaohs, the decadence of Roman emperors, and the bold flair of Ottoman sultans. Whether you're wrapped in golden togas, draped in silks, or dazzling like Cleopatra herself, this is your chance to rule the dance floor in legendary style.

Greek Isles: Here We Go Again! - My my! Slip on your white linen and platform boots—tonight live out your Mamma Mia fantasy under the stars of the Aegean! It's a mash up of Greek island chic with ABBA disco dreams. Think blue & white anything, dazzling sequins, and a little drama.

Lost At Sea - As we head deep into uncharted waters, the creatures above and below the water line come together for a night of nautical silliness. Colorful sea creatures meet marauding pirates alongside a few mythical characters.

Neon Playground - Fast, flashy, bright, and silly! We're turning the Red Room into a musical playground bathed in laser light and filled with bouncy sounds to make you smile.

Think Pink T-Dance - Pink is in! It's everywhere and hotter than ever. From Barbie butch to fluffy fantastic, throw on your favorite interpretation for a hot afternoon of frivolous, dolled-up fun.

Virgin White - Let your imagination run wild at Atlantis' pinnacle party. Sizzle at the moment, dress up or down in a straightforward color that everyone looks good in.

Revival! Classic Disco T-Dance - Disco lives on as we take you back to the glory days of the 70s with an afternoon of pure musical magic on the dance floor.

Embarkation Day

Getting to The Port of Piraeus

Resilient Lady will sail from:

Port of Piraeus - Terminal: C (Alkimos)

10 Akti Miaouli, Piraeus 185 38 Greece

The port is approximately 20 minutes from downtown Athens and around 60 minutes from the airport. Taxis and Uber are the best way to get to the port.

Important Check-In Time Information

Check in opens at 1 pm and embarkation starts at 1:30pm, and the pier is NOT open earlier. If you show up before that time you will be standing in line outside. There is very limited space at this pier and literally no waiting area.

Since all guests must go through immigration prior to boarding, it's essential that you adhere specifically to your assigned boarding time. If you arrive earlier than your assigned time, you will not be permitted in terminal as there is very limited space. We do expect a significant wait for immigration to process all our guests -- it could be up to an hour after we check you in.

Sailors arriving earlier or later than their assigned times will be asked to wait until the guests with correct appointments have been embarked.

Check-in is open until 5 pm.

If you have not been able to register yet or receive a check-in time, we ask that you arrive after 3 pm.

Thank you in advance for your cooperation and participation in making everyone's check-in as smooth and seamless as possible.

What Do I Need to Check-In?

Since your reservation is electronic, all you need is your valid ID to travel and a credit card to check-in.

You will then be issued a wearable token, which will serve as your room key and identification card for all things onboard!

If you registered correctly through the app, this will only take a minute or two!

Alcoholic Beverages and Other Restrictions

Guests are welcome to bring two (2) 750mL bottles of wine per cabin in carry-on bags. No beer or hard liquor may be brought onboard for consumption.

Any alcohol placed in checked baggage or carried on will be removed and held for you until the end of your voyage. Alcohol purchased onboard or in port will be held in secure storage and delivered to your stateroom on the last night of the cruise.

Embarkation Day

Lost Luggage Assistance

If your luggage does not arrive with you, please do all the following:

1. Get a complete report from the airline, including your luggage's original bag receipt and tracking number. Make sure that you tell the airline that you are boarding *Virgin Resilient Lady*.
2. Upon arrival on the ship, go immediately to sailor services, where they will make a copy of your lost baggage report. The ship will attempt to track your luggage and follow up directly with the airlines.
3. Be patient. Depending on the airline, it might arrive prior to sailing. Our port agents will attempt to deliver any lost luggage directly to your room in concert with the ship. If your luggage does not arrive, they will keep you informed with the latest news from your airline.

Please understand that neither Virgin Voyages nor Atlantis has lost your luggage. We can only assist you in recovering your luggage from the airline and in communicating with them. Ultimately, the airline is responsible to you for any loss or inconvenience you encounter. However, in our experience, most bags turn up in the first 48 hours.

The Atlantis Experience

Atlantis Daily Program

All events and entertainment schedules can be found both on the Virgin Voyages App and on screens throughout the ship. When in doubt of a time/schedule/event, please review the video screens throughout the ship.

A printed copy of the day's schedule, called "Glance At The Day" is also available in the following areas: Sailor Services on Deck 5, the Chart Room on Deck 7, and the Grounds Club on Deck 7. On embarkation day, this will be delivered to your stateroom.

Team & Information Desk

Our office and volunteer Team Atlantis staff will be on hand throughout your trip to host and assist with every aspect of your vacation. Please don't hesitate to ask any of us if you have a question or require assistance. We are available 24 hours a day, and always wear Atlantis name badges.

We also offer a general information desk located adjacent to Sailor Services on Deck 5. Hours vary and are posted at the desk and in the daily schedule.

Atlantis staff can also be reached through Sailor Services at any time.

Start on the first day with our Singles Cocktail Party to meet our other single guests right after we set sail!

No Solicitation Policy

Atlantis does not allow our guests to solicit other guests for any service or business while onboard our cruises. Please respect our other guests' right to enjoy themselves in an advertising-free environment.

Any guest that violates this policy by distributing materials, voice mails, or other sales communications to our guests will be subject to a \$2,500 USD fine applied directly to their onboard account. Thank you for your understanding.

Social Media Policy

While we want everyone to have fun, there are limits and so we ask that you be respectful of all guests and our cruise partners. Please do not post anything explicitly sexual on social media in a public forum or space. Any guest who posts any explicit and publicly visible photo or video will be asked to leave the ship with no refund. Thank you for understanding and keeping Atlantis friendly!

Atlantis Roommate Share Program

If you are participating in our room share program, you have been assigned a roommate based on smoking preferences. Your roommate's name may appear on your confirmation but is subject to change. This program is offered as a convenience and service for our single travelers, and as such, no roommate changes are permitted for any reason whatsoever

Special Diets

All dietary restrictions and allergies should be communicated directly to Virgin in advance of our sailing, and can also be input in the *Virgin Voyages App*. As an abundance of caution, we also ask that you communicate any special dietary requests including allergies to the Maitre D' at the entrance to any of restaurants.

Vegetarian and vegan options are available everywhere -- especially in Razzle Dazzle - and need no advance notification.

Ship Eats

Virgin's Ship Eats (Room Service) is available 24 hours a day. See the menu on the app for a complete selection and ordering instructions. Please recognize that the staff handling room service has limited capabilities. If you're looking for a quick snack, we highly recommend the Galley which is open virtually all the time.

Beverage Packages & Bar Tab

Virgin does not offer beverage packages, but you can purchase a pre-paid "bar tab" in advance of sailing via the Virgin Voyages App that gives you a credit beyond the cost of your payment.

Sustainability Notes

Virgin operates an environment with no single-use plastics. Water is readily available throughout the ship at complimentary filter stations. If you have a favorite vessel for water, you might want to bring it along, or buy a smart Virgin one onboard.

Onboard *Resilient Lady*

Personal Funds & Shipboard Charges

The currency onboard is U.S. Dollars. Virgin operates on a cashless system. You can validate your Virgin wearable with your Visa, MasterCard, Diner's Club, or American Express card, or settle your account by cash. Guests can then sign all onboard services and purchases to their account. At the end of the cruise, you will receive a completely itemized statement by email or in the app.

For your convenience, the ship has an onboard ATM machine that dispenses U.S. currency. Bank debit cards on the PLUS and CIRRUS networks are accepted along with the following credit cards: American Express, Discover/Novus, MasterCard and VISA are accepted. Fees will be charged per transaction.

Customs & Immigration at Sea

Upon embarkation customs and immigration officials will inspect our guests and the ship. Normally, this occurs without your knowledge or participation. Occasionally, passengers are called for inspection. In these cases, please follow the instructions provided to assure that we are able to disembark in a timely manner in each port.

While we shouldn't have to say this, illegal substances, weapons, hazardous materials, or other restricted items are strictly prohibited. Any guest found with illegal substances of any kind will be removed from the ship at the next port of call and turned over to local authorities.

Atlantis and Virgin both have a zero-tolerance policy for all illegal substances.

Sailor Conduct Policy

Please remember that all our guests are bound by Virgin Voyages' Sailor Conduct Policy. The policy is intended to help ensure that all guests can participate in a safe and enjoyable cruise experience and sets forth standards of conduct for guests to follow throughout their vacation. Please take a minute to read this policy on the Virgin Voyages website:

Onboard *Resilient Lady*

Laundry & Dry-Cleaning Services

Laundry, dry cleaning, spot removal, and pressing services are available for an additional fee. Laundry bags and service request forms are in your room. Ask your cabin steward for details.

There are no irons in staterooms as they constitute a fire hazard. There are also no self-service laundry facilities onboard.

Service Charges and Tipping

Virgin Voyages operates on a no-tipping policy, so there is no tipping required or expected at any time. No additional tipping to these service personnel is needed but may be extended at your discretion if the service is exceptional.

Smoking & Vaping Policy

For the comfort of all of our guests, all indoor areas on the ship are nonsmoking. Smoking is permitted only in certain areas on open decks. As a courtesy to our guests, ship personnel will thoroughly enforce the smoking policy.

Smoking is not allowed on stateroom balconies at any time.

Please note that Atlantis and/or Virgin reserves the right to change the smoking policy at any time depending on guest requirements. A complete detail of the smoking areas onboard can be found on the Virgin Voyages App.

If You Have a Problem or Question

Both the Sailor Services and the Atlantis Information Desk can handle most difficulties you may encounter. Generally, issues relating to your stateroom, the ship, schedules, or billing should be directed to Sailor Services. Questions regarding entertainment, service, Atlantis policies, special requests, or anything else should be directed to the Atlantis Desk.

If the Atlantis Desk is unattended, please feel free to ask any Team Atlantis member, and we will happily assist you.

Wellness Onboard

Resilient Lady features a stunningly beautiful spa offering a fantastic range of services, including massage, facials, aromatherapy, hair styling, and much more. Take a look on Deck 5 -- you'll be amazed as it doesn't look like anything else at sea!

Appointments for these services should be made early in your cruise, as many of the services book up early. All spa services are an additional charge which can be signed to your stateroom.

There's also a fully equipped fitness center on deck 15 featuring the latest cardio and strength training equipment along with the most innovative classes at sea. All at no extra charge!

Stateroom Safe

All staterooms and suites are equipped with a personal safe. We recommend that you not leave valuables, jewelry, or money unsecured in your stateroom. Although every effort is made to safeguard staterooms, Virgin Voyages will not accept any responsibility for the loss or damage of any valuables left unsecured.

If you are participating in the roommate share program, please discuss the use of your safe with your roommate. No additional safes can be provided.

Medical Services

If you require medical attention while on board, an infirmary staff can assist you 24 hours a day. A doctor is available to render services at a customary charge. The infirmary can provide treatment for minor matters that may arise during your cruise and can assess and stabilize most medical emergencies. Should you require treatment for a serious condition requiring hospitalization, arrangements may be made to transfer you to a medical facility ashore. While at sea, the ability to transfer you to a shoreside facility may be limited or delayed by weather or logistical considerations. If you are currently suffering from a serious medical condition, please consult your physician before sailing Virgin's doctors are independent contractors.

Internet Onboard

Resilient Lady offers complimentary WiFi Internet access to all sailors, with paid upgrades available to add premium services, speed, and additional devices. Details can be found in the App, or by speaking with Sailor Services onboard.

Cell Phone Access Onboard

Resilient Lady is equipped to allow your mobile phone to work onboard. Please note that roaming charges apply, and will be billed directly by your home carrier. Rates vary by carrier, but can be considerably cheaper than using the satellite phones. Check with your carrier prior to sailing for specific rates.

We recommend turning all mobile broadband devices to "Airplane Mode" while onboard to avoid any excessive charges.

This access only works while at sea. When in port, your local land operator's roaming charges will apply.

Important Health Notice -- Please Read!

If you should come down with a contagious disease or even suspect a contagious disease, it's compulsory that you report it to the ship's infirmary for the safety of everyone on board. Should you be on any medication or want the medical staff to be aware of any special needs, please contact the infirmary. This will ensure that they will be prepared should you need assistance.

In rare instances, the ship's medical staff may determine that your medical condition will require you to be quarantined in your stateroom to protect the health of our other guests. While both Virgin and Atlantis will make every effort to make you comfortable in such a situation, we are unable to compensate lost vacation time due to quarantine.

Please note that the ship follows C.D.C. guidelines on all quarantine issues, and there is little flexibility in applying the rules, particularly where gastrointestinal symptoms are present.

As always, we highly recommend travel insurance to assist with unforeseen costs and reimbursement for missed vacation time due to illness. If you do not have travel insurance, it can be purchased virtually right up to departure time. Please note that this includes COVID-related quarantines and no credit or refund is issued for any lost time. This is why we strongly recommend Travel Insurance!

After We Arrive

Arrival Into Athens

We'll arrive Athens around 7 am and disembarkation with Virgin is a relaxed "hotel-style" experience from our arrival until around 10:30 am. Breakfast will be served as normal in all restaurants and you have plenty of time to leave at your leisure.

Since we are coming from Crete the day before, there is no customs or immigration upon our arrival into Athens. Departing is quick and easy!

We do not recommend flights out of the Athens airport before noon. And if you're planning to take a ferry from Piraeus that day, allow plenty of time to get to the terminal.

Transfers to the Athens Airport

If you're flying out the day we arrive, we strongly suggest purchasing an airport transfer from Virgin either on the App or onboard at Shore Things. Taxi service is always limited when we arrive and the wait time can be an hour or more.

Uber is available, but limited in port service.
